Nelnet Monthly Installment Plan – Actively Registering for Semester

Students not paying for their account in full, after any known tuition reductions, must sign up for Nelnet's Monthly Installment Payment Plan. Failure to complete your payment plan by the tuition deadline will result in classes being removed. Your personalized payment deadline can be found online at the time of registration.

(A minimum balance of $50.00 is required to be able to use a payment plan).

NOTE: There is a one-time $35.00 fee for using this plan.
