MTH 060-500

This section is for students who placed into MTH 060 but narrowly missed MTH 080 placement. Students enrolled have an opportunity to improve their placement.

The course includes a 4-week review of mathematics, followed by an attempt at the Mathematics portion of the Compass Exam. 12-week sections of MTH 060, 080, and 101 are available to students depending on their new placement.

If interested, students should contact the Mathematics co-chair David Clydesdale (ext. 6728) or Linda Frank in the Center for New Students (ext. 6208).
