

# PARTICIPATION PLEDGE

## Go Green

We, \_\_\_\_\_ (office), commit to going green in the workplace. Through our participation we will create a more efficient work environment by minimizing waste, saving energy, conserving water and reducing costs. By following the items set forth in the green office checklist we will do our best to incorporate sustainable practices into our office's core operations.

At least 75% of our office has signed our names below, signifying our commitment to becoming Green Office Certified.

**Please designate your green office representative:**

\_\_\_\_\_  
(All communication throughout participation in the program will be directed to the representative listed above)

**Participating Office Members:**
