

**Request for Proposal Q00891
Cold Beverage Pouring Rights
Addendum #1
April 21, 2017**

All changes to the Request for Proposal are valid only if they are issued by written addendum. Each respondent should acknowledge receipt of any addenda in their bid submission. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the quote therein. Failure to acknowledge receipt of any addenda may cause for rejection. If any language or figures contained in this addendum are in conflict with the original document this addendum shall prevail.

This addendum consists of the following clarifications:

1. The proposal deadline has been extended. The new deadline is May 19th at 2.00 p.m. local time.
2. At the end of contract term the College reserves the right to extend the resulting contract up to 60 days to allow for bidding and transitioning into a new contract.
3. The existing pouring rights agreement expires June 30, 2017. The College would like to implement a new contract soon thereafter. Please provide a schedule for implementation and installation of specified vending equipment.

This addendum consists of the additional information based on questions received to date:

1. How many years is Sodexo contract and when is the contract end date with Harper College?
Response: The Sodexo Vending contract expires June 30, 2018, and has four (4) annual one-year renewal extensions at the option of the College.
2. On page 18 in the Scope of Work the term of the contract will be five years with the option to renew for (2) one year renewals. In Exhibit D the 5 Yr. Option only lists 5 years. Is the five year option 5 years with (2) one year options or 3 years with (2) one year options?
Response: The five year option should be five years with two (2) one year renewals for a potential of a seven year contract. The second option is a five year contract with an option for a five year renewal. Provide pricing for both options. A revised Annual Sponsorship form, Exhibit D, has been attached.
3. For the listed bottle can volume from Dining Services the package volume is listed. We are requesting a breakdown by Brand Flavor for each package.
Response: Attached is the 2016 usage report, Exhibit F.
4. Could you further explain the Business Enterprise Program listed on page 2?
Response: If performance of the contract requires any subcontracting and in order to assist the College to reach its aspirational goals, make good faith efforts to utilize firms listed in the BEP Directory to perform that work when practical. Identify those firms to be utilized with your proposal submission. The list/directory of eligible firms to be utilized for subcontracting can be found at this link:
[\(https://cms.diversitycompliance.com/\)](https://cms.diversitycompliance.com/)

5. Based on size and scope of this RFP, we are requesting a three week extension from the original due date for our response so we can properly respond to your request.

Response: The proposal deadline has been extended. The new deadline is May 19th at 2.00 p.m. local time.
