

**Request for Bid Q00943
Furnish, Deliver, and Install Mass Media Lab Equipment
Addendum #1
October 18, 2018**

All changes to the Request for Bid are valid only if they are issued by written addendum. Each respondent should acknowledge receipt of any addenda in their bid submission. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the quote therein. Failure to acknowledge receipt of any addenda may cause for rejection. If any language or figures contained in this addendum are in conflict with the original document this addendum shall prevail.

This addendum consists of the additional information based on questions received to date:

1. Will there be any signal flow drawings provided to show how the system will be connected, is winner expected to provide and pull cabling? If so, what will provided to accurately quote labor for system configuration?

Response: The successful bidder will be required to engineer the system which will include drawings for the owner to review and approve. The successful bidder will be required to provide and install all cabling as necessary for complete and operational systems.

2. Are there electrical drawing to go along with this?

Response: No

3. Can we get drawings for this project.

Response: No

Please acknowledge receipt of this addendum and let the College know if your firm plans to submit a bid for this project by 2:00 p.m. on 10/19/2018.

Does your firm plan to submit a bid for this project? Y/N_____

If not, why not? _____
