

Request for Bid Q00946
Furnish, Deliver and Install Sheet Metal Pallet Rack Storage System
Addendum #1
December 4, 2018

All changes to the Request for Bid (RFB) are valid only if they are issued by written addendum. Each respondent must acknowledge receipt of any addenda in their bid submission. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the bid therein. Failure to acknowledge receipt of any addenda may cause the bid to be rejected. If any language or figures contained in this addendum are in conflict with the original document this addendum shall prevail.

This addendum consists of the following clarifications and additional information:

The College desires a pallet rack system that is approximately 12 feet tall. We recognize that 17 pallets may not be ideal for the system you present in order meet the remaining parameters set by the College. Please provide a bid based on 17 pallets and provide a unit price the College will utilize to deduct from the base bid should the College choose to deduct shelves to achieve the desired height. We estimate that the thickness of each pallet will be between 4" and 6". However, we rely on your expertise to provide a thickness that will meet the performance requirements specified in the bid documents.

In addition to completing the bid form included with the bid documents, please complete the information below and submit it with you bid.

1. What is the height of the pallet(s) bid (in inches)? _____
2. What is the distance between each pallet (in inches)? _____
3. What is the unit price per pallet the College should use to deduct pallets from the base bid?
(Deduct) \$ _____ per pallet

Note: The unit price to add pallets should the College choose to add additional pallets to the base bid should be included on the bid form as Alternate #1.

4. Provide the dimensions of your pallet rack system being bid as represented as item #1 on the bid form.

Please acknowledge receipt of this addendum within 24 hours of receipt and let the College know if you plan to bid on this project.

If you do not plan to bid this project, provide feedback as to why not.

All other terms and conditions remain the same.

Sincerely,

Aaron Thompson
