Furnish All Necessary Supplies, Labor & Equipment for
Professional Window Cleaning Service
Addendum #1
March 8, 2019

All changes to the Request for Bid (RFB) are valid only if they are issued by written addendum. Each respondent must acknowledge receipt of any addenda in their bid submission. Each respondent, by acknowledging receipt of any addenda, is responsible for the contents of the addenda and any changes to the bid therein. Failure to acknowledge receipt of any addenda may cause the bid to be rejected. If any language or figures contained in this addendum are in conflict with the original document this addendum shall prevail.

This addendum consists of the additional information:

1. Bidders are responsible for visiting the campus to ensure they can provide cleaning for all of the windows outlined in this Request for Bids. If there are areas which cannot be cleaned due to OSHA or other restrictions, the bidder is responsible for identifying those areas and submit them with their bid submissions. Identify those areas by building and location and note why those areas cannot be cleaned. The College reserves the right to grant reasonable requests for exceptions.
2. The College intends to award this contract in March. Should there be a delay in awarding a contract, the completion date for the 2019 spring cleaning will be extended to May 30th or a date mutually agreed on between the contractor and the bidder.
