INTRODUCTION

This Agreement is entered into by and between the Board of Trustees of Community College District No. 512, Counties of Cook, Lake, Kane and McHenry and the State of Illinois, hereinafter referred to as the "Board," or the "College" and the Illinois Council of Police, hereinafter referred to as the "Union," as the exclusive collective bargaining agent for the employees in the bargaining unit as defined herein.

PREAMBLE

The Union, having been designated collective bargaining agent for all regular, full-time Harper College Police Officers, and the College, having endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting certain relations between them, and the intention of the parties to this Agreement being to provide, where not otherwise mandated by statute, for the wage schedule, fringe benefits, and other conditions of employment of the Harper College Police Officers covered by this Agreement, all as set forth herein, the parties therefore agree to the following:

ARTICLE I – RECOGNITION

The College recognizes the Union as the exclusive bargaining agent for all sworn regularly employed full-time by William Rainey Harper College District 512 below the rank of Deputy Chief, excluding the Police Chief, the Deputy Police Chief, all full-time and part-time Community Service Officers, and all other supervisory, managerial, confidential, temporary, and short-term employees, excluded by section 2 of the Illinois Educational Labor Relations Act, 115 ILCS 5/1, et seq.

As used herein, the term "Police Officer "shall refer to those persons included in the bargaining unit described above.

As used herein, the term "Police Officer " shall refer to those persons included in the bargaining unit described above.

ARTICLE II – BOARD RIGHTS

The Board, on behalf of the electors of Community College District 512, retains and

reserves the ultimate responsibilities for the proper management of the college district conferred upon and vested in it by the Statutes and Constitution of the State of Illinois and the United States.

Nothing herein shall be construed to deny or restrict the Board of its rights, responsibilities and authority under the Illinois Public Community College Act, the Illinois Educational Labor Relations Act, or any other national, state, county or local law or regulation applicable to an Illinois Community College.

ARTICLE III – NO STRIKES/NO LOCKOUTS

During the term of this Agreement and any extension thereof, neither the Union nor any member of the bargaining unit shall engage in, authorize or instigate any strike or other illegal concerted activity (sympathy strike, work stoppage, or withholding of services) directed against the College, nor shall there be any lockout of any member covered by the terms of this agreement as a result of a labor dispute with the Union.

ARTICLE IV – UNION-BOARD RELATIONS

4.1 Bulletin Board

A bulletin board of reasonable size, labeled "Police Officers," shall be available in an area to be agreed upon by the parties. Such bulletin board shall be available for the posting of notices and materials relating to Union activities. Such materials shall be identified with the name of the Union and shall be signed by an appropriate officer thereof. Such materials shall not be derogatory of any person associated with the College and shall not include items, which are primarily endorsements of candidates for political office (other than offices of the Union).

4.2 Public Information

The College shall make available to the Union, upon written request, existing public information, including relevant financial statistics which are pertinent to the conduct of negotiations, the processing of a grievance, or the enforcement of the terms of this Agreement. Such materials shall be provided within ten working days, whenever possible, following a written request from the Union. The College shall

not be obligated hereunder to research or compile data or to provide such information more than once.

4.3 Board Meetings

A copy of the Board Meeting Agenda, non-confidential exhibits and minutes of Board meetings shall be made available to the Union designee within a reasonable time following their distribution to the Board of Trustees. A copy of materials furnished to representatives of the press and other organizations shall concurrently be made available to the Union designee.

4.4 Dues Check Off

The Board shall deduct dues from the salary of each Union member, who shall authorize the same in writing, in an amount determined by the Illinois Council of Police (ICOP), provided the rate to be deducted shall be uniform for each Union member. Such deductions shall be made no later than thirty (30) calendar days following receipt of the authorization in the designated College office. A dues authorization may be revoked by the Union member's written notice to the Union. The authorization shall be deemed automatically revoked with the issuance of the Union member's last paycheck.

The union shall notify the College of any new members who have agreed to dues authorization and will notify the College of any current members who choose to cease paying dues pursuant to the terms of their signed membership/dues authorization card. In doing so, they shall also indemnify, defend and hold the Board harmless against any claim, demand, suit, cost, expense, or any other form of liability, including reasonable attorney's fees and costs arising from or incurred as a result of any act taken or not taken by the Board , its members, officers, agents, employees, or representatives in complying with or carrying out the provisions of Article 4.4 including any charge that the Board failed to discharge any duty owed to its employees arising out of any deduction.

4.5 Use of Facilities and Equipment

The Union may utilize College meeting room facilities to meet with employees covered under this Agreement during non-working hours, provided the Union shall

promptly reimburse the College the facilities usage charge as prescribed in the College Facilities Usage Manual and for any additional expense or any damage occasioned by such use. Such use shall not interfere with any activity or function of the College. The Union will advise the College designee of the day and time that these meetings will take place.

4.6 Committee Representative

The College shall encourage the College Assembly to appoint one Police Officer to one College committee that deals with issues affecting employees covered by this Agreement. Such Committee appointment shall be made from a list of employees recommended by the Union.

4.7 Printing of Agreement

The College shall be responsible for the timely reproduction of this Agreement. Prior to printing this Agreement, both parties shall share proofreading and agree upon the contents. The cost of such reproduction shall be shared equally by the College and the Union.

4.8 New Employee

The Union shall be notified of the hire of each new sworn employee whose job classification is covered by this Agreement within thirty calendar days of the date of hire.

ARTICLE V – GRIEVANCE PROCEDURE

5.1 Purpose

It is the purpose of this Grievance Procedure to resolve as promptly and as expeditiously as possible any allegations by an employee or the Union of misinterpretation of this Agreement.

5.2 Definitions

- 1) A grievance shall mean an allegation by an affected employee or the Union that there has been a violation, misinterpretation or misapplication of any provision of this Agreement.
- 2) As used in this Article, “days” shall mean Monday through Friday except days

on which all bargaining unit members are excused from working.

- 3) An employee may have union representation at any meeting, hearing or appeal relating to a grievance which has been formally presented.
- 4) The President of the Union or designee shall be advised of any meeting, hearing or appeal relating to a grievance which has been formally presented and a representative of the Union shall have the right to attend such meeting, hearing or appeal.
- 5) The failure of the grievant to act on any grievance within the prescribed time limits will act as a bar to any further appeal within the grievance procedure or otherwise. If the designated representative of the College shall neglect to proceed or render a decision within the time limits, the grievance may be advanced to the next step of the grievance procedure. Time limits, may, however, be extended by mutual written agreement.

5.3 Procedures

The party asserting a grievance shall attempt to resolve the problem through informal communication with the Deputy Chief of Police.

Step 1. If the informal process with the Deputy Chief of Police shall fail to resolve the problem, the grievant(s) may formally present the grievance in writing to the Chief of Police who will arrange for a meeting to be held within fourteen (14) calendar days to review the grievance. The formal written grievance shall clearly identify the grievant(s), summarize all relevant facts, identify all provisions of the Agreement allegedly violated, and describe the remedy which is being requested. The filing of the formal written grievance at this step must be within fourteen (14) calendar days of the date of the occurrence giving rise to the grievance or from the date when the grievant might reasonably have become aware of the occurrence. The Chief of Police or designee shall provide a written answer to the grievant with a copy to the Union within fourteen (14) calendar days of the meeting. The answer shall include the reasons for the decision.

Step 2. If the grievance is not resolved at the preceding step, the Union and/or the

grievant may refer it to the Executive Vice President of Finance and Administrative Services or designee by filing the same in writing within fourteen (14) calendar days of receipt of the answer from step one. The Executive Vice President of Finance and Administrative Services or designee will arrange for a meeting to be held within fourteen (14) calendar days of such referral to review the grievance. Each party shall have the right to include in its presentation of facts such witnesses as it deems necessary to develop facts pertinent to the grievance. A written answer, including reason(s), shall be provided to the grievant with a copy to the Union within fourteen (14) calendar days of the meeting provided for in this paragraph.

Step 3. If the grievance is not resolved at the preceding step, the Union may refer it to the College President or designee by filing the same in writing within fourteen (14) calendar days of receipt of the answer from the Executive Vice President of Finance and Administrative Services or designee. The President or designee will arrange for a meeting to be held within fourteen (14) calendar days of such referral to review the grievance. Each party shall have the right to include in its presentation such witnesses as it deems necessary to develop facts pertinent to the grievance. A written answer, including reason(s), shall be provided to the grievant with a copy to the Union within fourteen (14) calendar days of the meeting provided for in this paragraph.

If the grievance arises from a decision at the Executive Vice President of Finance and Administrative Services' level, the grievance may be initiated at Step 3 provided such is filed within the time limits prescribed in Step 1.

Step 4. If the grievance is not resolved at the President's level, the Union may submit it to binding arbitration, provided written notice indicating such is filed with

the President or designee within fourteen (14) calendar days of the answer at the President's level, or if no answer is filed, within fourteen (14) calendar days of the last day on which such answer was due. The Union shall promptly request the Federal Mediation and Conciliation Service to provide a panel of qualified Arbitrators who are members of the National Academy of Arbitrators from which the parties may make a selection pursuant to the practices of the American Arbitration Association.

The arbitrator, in their opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. Their authority shall be strictly limited to deciding only the issue or issues presented to them by the College and the Union, and their decision must be based solely upon their interpretation of the meaning or application of the express, relevant language of this Agreement. The arbitrator is empowered to include in their award such remedies as shall be within their lawful authority. The fees and expenses of the arbitrator and the Association Federal Mediation & Conciliation Service shall be shared equally by the College and the Union. The parties likewise shall share the expense of any transcript(s), which they may jointly request, but all other expenses which may be incurred by either party shall be borne by that party.

ARTICLE VI– DISCIPLINE AND DISMISSAL

6.1 Discipline and Dismissal Circumstances

The typical disciplinary sequence for an employee shall be:

- 1) Verbal warning;
- 2) Written warning, with a copy to the employee's personnel file;
- 3) Written reprimand, with a copy to the employee's personnel file;
- 4) Up to a thirty (30) day suspension without pay;
- 5) Dismissal.

Disciplinary action, up to and including termination of employment, shall be for a violation of College policy or Police Department general orders, rule or regulation, or for any illegal act and shall be administrated in a timely and progressive manner except that, in instances of criminal activity, gross abuse of authority, or

substantial misconduct or incapacity which brings discredit to the College, suspension may occur as the first step. Then, subsequent dismissal may result depending on the severity of the circumstances of the offense as determined by the College.

An employee is entitled to union representation at a meeting called for the specific purpose of disciplining the employee under Weingarten Rules. If a non-disciplinary meeting turns into a disciplinary meeting, the employee is entitled to recess the meeting for a reasonable period of time and request a union representative before continuing with the disciplinary meeting.

An arbitrator shall have the authority to order the restoration of employment of a dismissed employee pursuant to this section only if accompanied by a finding of violation of the employee's substantive rights. The arbitrator in such cases shall reduce any back pay award by any amount earned by the employee during the period they were not working for the college and by any Unemployment Compensation payments earned during such period.

As used in this Article, "days" shall mean Monday through Friday except days on which all bargaining unit members are excused from working.

6.2 Pre-Disciplinary Meeting

Except when detrimental to the general welfare of the College, an employee shall have the opportunity, prior to dismissal or suspension, without pay, to request and have Union representation, at a conference with their supervisor and at that time to have full opportunity to review the reason(s) for suspension or dismissal without pay and have an opportunity to rebut such reason(s).

ARTICLE VII – EMPLOYMENT

7.1 Probationary Period

The probationary period for Police Officers covered by this agreement shall be twelve (12) calendar months. The College reserves the right to extend such probationary period for good reasons and in no event shall such extension be for more than two (2) additional months. The College shall promptly notify the union of such extension of the probationary period.

The probationary period for Police Sergeants covered by this agreement shall be six (6) months if the employee is a current Harper College that will transfer to the sergeant position and twelve (12) calendar months if the employee is new hired from outside of Harper College.

For a new Police Sergeant who is hired externally, during this probationary period the Sergeant will be considered *at will* and any discipline imposed, including discharge, will not be subject to the grievance procedure.

For a new Police Sergeant who transfers to the Police Sergeant position from another bargaining unit position, the Police Sergeant shall be entitled to all other remedies available under the collective bargaining agreement for any discipline imposed except demotion. The College shall not sever employment with the member for any non-disciplinary reason if they chose to demote them during the probationary period (i.e., already at full staffing, etc.)

Holidays, sick leave, vacation leave, personal business leave, work life balance leave, leave of absence compensatory time, and insurance benefits (subject to any applicable waiting period) shall be made available to a probationary employee immediately after employment. Upon successful completion by an employee of their probationary period, their seniority date shall revert to their last date of hire. There shall be no seniority among probationary employees.

The College reserves the right to terminate, suspend or discipline any probationary employee and such termination, suspension or disciplinary action shall not be grievable under Article V of this Agreement.

7.2 Seniority

Seniority shall be defined as the length of continuous uninterrupted full-time service with the College beginning with the employee's most recent date of hire as a full-time Police Officer. The relative seniority of employees hired on the same day shall be determined by the date of receipt of the employees' employment applications.

7.3 Reduction In Force

If the College determines that a reduction in force is necessary, resulting in a decrease in the number of employees covered by this Agreement, the decrease shall be based on the inverse seniority order by employee classification, except that all employees hired within twelve (12) months of the last hire (within the position classification) shall be considered for reduction using such factors including, shall include, but not limited to, job performance, skill, ability, experience, seniority, mental and physical ability to perform assigned duties and the needs of the College.

If the College determines to fill the affected positions within twelve (12) months of the date of termination, these positions shall first be offered to those employees who were laid off from the positions. Reinstatement shall take place without loss of accumulated seniority, but an employee shall not accrue additional seniority until the employee recommences work upon reinstatement after the reduction-in-force.

Such offers of employment shall be transmitted in writing and delivered by certified mail to the employee's last known mailing address. If the recalled employee rejects the offer of reinstatement or does not respond to such offer of reinstatement within fourteen (14) calendar days of the date of mailing, the College's obligation hereunder shall be terminated.

7.4 Subcontracting

If the College should desire to subcontract work being performed by bargaining unit members and this change will likely lead to layoffs of bargaining unit members, the College shall notify and negotiate with the Union over the effects of such action before any such layoffs are implemented.

7.5 Posting

If the College determines that it is necessary to create a new position in the bargaining unit or to fill a vacant position in the bargaining unit, such position shall be posted electronically for seven (7) calendar days. The College issues regular

electronic notifications of its employment vacancies to all current employees.

A bargaining unit employee on layoff status who applies for placement on the position vacancy mailing list and who keeps the College informed of their current mailing address shall receive position vacancy notices for Officer vacancies for twelve (12) months from the date of layoff. Such employee may apply to fill a new or vacant position and shall be considered to be a qualified candidate if they have the educational background, training and experience which is consistent with the posted qualifications and credentials for the position.

7.6 Personnel Files

An employee shall have the right to examine their personnel file in the Human Resources Office in accordance with College policy and the Illinois Personnel Records Review Act. Such request shall be made in writing and shall be honored without undue delay if made during normal business hours. A designee of the College administration may be present during such review. Nothing shall be permanently removed from the file consistent with section 50 ILCS 205-25, PA 101-0652, 10-141, effective 7/1/2021. An employee may reproduce material from their files at the cost established by College policy.

No material from an employee's personnel file shall be made available to personnel or agencies not employed by or affiliated with the College without the employee's consent, except as required by law, court order or records subpoena or as necessary pursuant to the regular operations of the College. However, this shall not preclude the College from responding as required with regard to verification of employment.

7.7 Evaluative Material

A copy of all evaluative material relating to an employee shall be retained in their official personnel file in the Human Resources Office.

Before evaluative material is placed in the personnel file, a copy of such material shall have previously been made available to the employee. The employee shall have acknowledged receipt of such evaluative material but such acknowledgment

shall not signify anything other than receipt of a copy of the material. Should the employee refuse to sign the material, the supervisor shall write on the material that the employee refused to sign, date it and sign their name to the material.

The employee shall have the right to respond to any material placed in their file by submitting the response in writing within ten (10) working days of the filing of the original material. Such response shall be attached to the file copy. All material will be retained in the file consistent with section 50 ILCS 205-25, PA 101-0652, 10-141, effective 7/1/2021.

7.8 Equipment Safety

The College agrees that no unsafe or improperly maintained or non-functioning equipment that would jeopardize an employee's safety shall be knowingly assigned to employees covered by this Agreement. Any malfunctioning equipment essential to the employee's daily duties will be maintained and/or repaired in a timely fashion. The same shall be reported and documented to the Deputy Chief of Police.

7.9 Promotion

The College shall consider for hire any Harper sworn police officers with Officer in Charge experience who apply for vacant Sergeant positions at the College. Should an internal candidate be selected for the position, the College shall increase their current salary to the minimum of the range set forth in this Memorandum of Agreement, or increase their current salary by 9%, whichever is higher.

7.10 Diversity, Equity and Inclusion Annual Training

Harper College sworn police officers are fully committed to sustaining an environment where individual differences and identities are recognized as strengths. We are dedicated to supporting our diverse campus and fostering student success as a means of achieving equity in our society and the world.

Sworn Officers shall complete annual DEI focused professional development programming.

Examples of professional development include:

1. Annual online training topic chosen by the College and provided through the employee learning management system.
2. College sponsored programming, activities and professional engagement provided through the Office of Diversity, Equity and Inclusion, or The Academy for Teaching Excellence, or the Human Resources Office.
3. Non-College sponsored programming, activities and professional engagement, such as conferences, seminars, webinars and diversity, equity and inclusion related research.

This is not an exhaustive list of examples. Sworn officers should work with their supervisor for approval of non-College sponsored opportunities.

Diversity, equity and inclusion activities will be recorded using the College HRIS system (Oracle). Faculty members completing college sponsored or chosen topics will have their completion recorded automatically. Sworn officers completing non-College opportunities will record their own completion. The College will provide reports to union leadership upon request regarding the status of professional development completion.

APPENDIX B DRUG AND ALCOHOL TESTING

The parties agree that the maintenance of a drug/alcohol free work place is a goal of both the College and the Union. Employees are prohibited from possession, consumption and/or being under the influence of a controlled substance/alcohol while on the College's premises or during time paid by the employer. Violations of this prohibition may result in a disciplinary action up to and including termination.

If a unit member is required to submit to testing, they will identify all prescription and non-prescription drugs they are taking prior to providing a specimen for the provider. Personnel will be considered on duty during the test. At the medical facility/provider, a urinalysis test will be administered to screen for the following controlled substances:

Cannabis, Opiates, Quaaludes, Cocaine, Barbiturates, Valium, Heroin, Codeine, Darvocet, Amphetamines, Methadone

Types of Testing:

For purposes of this section "on-duty" shall be defined as follows:

1. Any time a unit member is being compensated by the College or by any other entity for performing work on behalf of Harper College or in which the College is being reimbursed such compensation.
2. Anytime a unit member covered by this agreement is traveling on behalf of the College, i.e., training, investigations, whether using a College-owned vehicle or their personal vehicle.

Reasonable Suspicion Testing

Where the College has reasonable suspicions to believe that the unit member is under the influence of alcohol or cannabis during the course of the workday, or illegal drugs at any time, the College has the right to require the unit member to submit to alcohol or drug testing after first providing the employee and/or the Union a written notice/memo signed by the Deputy Chief or higher ranking Officer detailing the facts supporting the College's reasonable suspicions within 24 hours.

On-duty Crash Testing

In the event a unit member is in any on-duty traffic crash that involves any one or more of the following, the unit member will be required and shall submit to an alcohol and drug test:

1. One or more deaths.
2. An injury to any person requiring medical treatment beyond first aid.
3. Actual or anticipated total loss of any motor vehicle.
4. Disabling damage to any motor vehicle or equipment requiring tow away except for flat tires/ordinary wear and tear which caused the disablement.
5. Actual or anticipated property damage in excess of \$10,000.
6. Where a police officer or paramedic at the scene of an accident concludes the unit member is impaired by alcohol or drugs.

Testing Procedures

In the event a unit member is subject to drug and/or alcohol testing as a result of reasonable suspicion or an on-duty crash, the unit member shall be driven by their supervisor to a College approved medical facility/provider where the testing will occur. The supervisor shall stay with the unit member until the test is completed. Once the test is completed, the supervisor shall arrange transportation to get the unit member home.

Order to Take Test

No unit member shall be required to submit to testing without first being provided with a written notice of the order setting forth the facts and inferences upon which the Employer based its conclusion of reasonable suspicion and a written authorization to test signed by a Deputy Chief or higher-ranking Officer. The unit member shall have a reasonable amount of time to consult with a union representative prior to any questioning. Refusal to comply with the order to test may subject the unit member to discipline, but the taking of the test shall not operate to waive any objections or rights the unit member may have. No unit member shall be subject to any adverse employment action, except temporary reassignment or relief from duty with pay during the pendency of any testing procedure. Such reassignment or relief from duty shall be discontinued immediately in the event of negative test results

Test to be Conducted

Where the Employer has reasonable suspicion to believe that the unit member is under the influence of alcohol, the unit member may consent to an initial breath alcohol screening. Testing shall only be done by urinalysis or breath analysis, any requests for blood shall be supported by a search warrant.

The College shall use only a clinical laboratory or hospital facility that is licensed per the

Illinois Clinical Laboratory Act, which laboratory shall comply with all NIDA standards. The College shall establish a chain of custody procedure to ensure the integrity of samples and test results and shall not permit the unit member or other bargaining unit member to be a part of such chain. Sufficient samples shall be collected so as to permit an Employer's test and a subsequent test to be arranged at a facility of the unit member's choosing. Employer drug testing shall be by gas chromatography, plus mass spectrometry (GCMS) or an equivalent scientifically accurate test and "positive" levels shall be judged under the SAMHSA standards.

On-duty Crash Alcohol Testing Procedure

1. The unit member must be readily available for the test or they will be deemed to have refused the test.
2. Whenever possible, post-crash testing shall be conducted within two (2) hours of the crash.
3. If testing is not administered within two (2) hours of the crash, the College must prepare and maintain a record stating all reasons the test was not promptly administered. If testing is not administered within eight (8) hours of the crash, the College shall cease attempts to administer all tests for alcohol.

On-duty Crash Drug Testing Procedure

1. The unit member shall be readily available for the test or they will be deemed to have refused the test.
2. Post-crash drug testing shall be conducted within thirty-two (32) hours after the crash. If testing is not administered within thirty-two (32) hours of the crash, the college shall cease attempts to administer a drug test. If testing is not administered within thirty-two (32) hours of the crash, the College shall prepare and maintain a record stating all reasons the test was not administered as required.

Results

As to drug testing, the College shall only be notified in the event that sample has tested positive under SAMHSA standards for a particular drug on the Employer test and any information otherwise coming into the possession or knowledge of the College (e.g., insurance billings) shall not be used in any manner or form adverse to the unit member's interest. As to alcohol testing, test results showing an alcohol concentration of 0.01% or

more (based on grams of alcohol per 100 milliliters of blood, shall be considered positive), the College shall bear the burden of proof of establishing that concentrations less than 0.01% indicate the officer is under the influence in violation of this Article. The unit member shall receive a copy of all test results, information, documents, and other reports received by the College.

Voluntary Requests for Assistance

No adverse employment action shall be taken in any manner or form against any unit member who voluntarily seeks assistance for alcohol or drug related problems, other than the Employer may temporarily reassign a unit member if he is then unfit for duty in his current assignment. The temporary reassignment is limited to a period of thirty (30) calendar days.

In order to preclude adverse employment action, any request for treatment must be sought from the Chief of Police, or designee, before the Department has taken steps to initiate an investigation.

All such requests shall be held strictly confidential and not released or used in any manner or forum contrary to the unit member's interests.

Discipline

In the first instance a unit member tests positive as defined above on a drug test for an illegal drug, the unit member shall be subject to discipline, including discharge. In the first instance a unit member tests positive on an alcohol test or a drug test for improper use of a prescription drug, the unit member shall be subject to discipline, but not discharge, provided that the unit member participates in an appropriate treatment program determined by his physician, discontinues his improper use of prescription drugs or abuse of alcohol, and submits to random testing as directed by his counselors in an appropriate after-care program. Unit members who do not comply with the conditions of this section, or who test positive for a second time, shall be subject to discipline, including discharge. Unit members who are unfit to perform reasonable duties to which they may be assigned during the period of their treatment and after-care shall be permitted to take accumulated time off and then shall be afforded an unpaid leave of absence upon request for the period of counseling and after-care, subject to the approval of the Chief Human Resource Officer. Such approval will not be unreasonably withheld.

MEMORANDUM OF UNDERSTANDING TO THE 2024-2028 AGREEMENT

As a mandatory subject of bargaining, Police Officers will have the opportunity to bargain an increase in the wage schedule to their wage rate range for the successor agreement after the current agreement has expired (June 30, 2028).
