To learn more about HIM, visit the Health Information Careers site ([hicareers.com](http://hicareers.com)), or AHIMA at [ahima.org](http://ahima.org), and speak with your school counselor or advisor. Follow AHIMA on Facebook, Twitter, and LinkedIn too!

"I feel I can honestly say that the sky is the limit with an HIM degree. You are given the opportunity to follow a variety of paths; it really just depends where your interests are. With an HIM career you can market yourself beyond the healthcare industry, and go into business, politics, or even education."
