Julie Weber re | process

FEBRUARY 1 – MARCH 18, 2021

Julie Weber creates images that blur the line between photographic process and subject matter. Her abstract formalist work is part image and part object, thereby expanding our definition of “photograph.” Weber is a Chicago-based artist and educator. Her work has been exhibited internationally and widely published.

Student Juried Art Exhibition

MAY 3 – 21, 2021

This annual exhibition will include works in various media and styles by students who have taken art courses throughout the year. Each year a professional artist is invited to jury the student’s submissions and select the work for the show. Awards are provided by the Harper Educational Foundation.
