SAM ROSBY CLAY IN THE TIME OF COVID: 19 NEW WORKS

SEPTEMBER 21 – OCTOBER 29, 2020

The hallmark of Rosby's work has always been ceramic sculptural objects grounded in the traditions of functional clay pottery. The pieces in this exhibition are part of a new body of work that marks a new chapter in Rosby's life. After 28 years as Professor of Art and head of the Ceramics program, he retired from Harper in 2019. He lives and works in Chicago and has exhibited and sold his work around the country.

FACULTY EXHIBITION

NOVEMBER 16 – DECEMBER 10, 2020

Did you know Harper College has an active studio art faculty? In addition to teaching, they are dedicated to making and exhibiting their own work. Collectively, their work represents a wide range of concept and material approaches. This biennial exhibition provides an important opportunity for art faculty members to share their work with students, colleagues and the community.
