***Please note:** The clinical times and days may vary. A typical day shift is from 7:00am – 3:30pm. Each section offering includes clinical rotation at an area long term care facility. Identification of sites for clinical placement is not possible until the start of the class. Placement is based on actual course enrollment numbers and clinical site availability. Scheduling details are distributed on the first day of class. Attendance is mandatory at every class/clinical session due to IDPH regulations:
