Admission Decisions

Satisfaction of all requirements does not guarantee acceptance to the program, space is limited.

- Applications will be processed within 5 – 10 business days. Students will receive an email to the email on the application and/or their Harper email stating if their file is complete or if there are outstanding items. A complete file does not guarantee acceptance, but students with complete files will have priority over those with items outstanding.
- Decision emails will be sent a few weeks after the application closing date to all applicants.
- Students who have completed all the minimum requirements will be considered over those who have items in progress.
- Accepted students who have completed ALL of the 1st semester PNC courses listed here: [Practical Nursing \(PN\) Certificate: Harper College](#) **may** have the opportunity to start in the 2nd semester of the program. This will be determined by the program coordinator and based on availability. Eligible students will be contacted directly.
- All 1st semester courses must be completed to move on to the next semester. This program has a prescribed curriculum and must be followed as outlined [Practical Nursing \(PN\) Certificate: Harper College](#).

Submit Additional Documentation

Official College Transcripts – You will need to submit transcripts from other colleges attended if the documents show completion of coursework you think may fulfill course admission requirements or support coursework applicable to the Harper College Practical Nursing Certificate Program. Transcripts should be sent to processing@harpercollege.edu.

- Foreign college transcripts must first be evaluated by World Education Services (wes.org) or Educational Credential Evaluators, INC (ece.org).
- To learn if/how credits from other colleges will transfer to Harper, applicants must have an official transcript sent directly from each college or university attended. Official transcripts will be evaluated as they are received, and students will receive an email to their Harper email account when the evaluation is completed.

Important Notes

- **NOTE:** International students are not eligible for limited enrollment programs.
- Students will be admitted based on residency (Harper in district and those whose home college does not offer an LPN/PNC program receive priority). Residency is based on the address listed on your Harper account – **Working in district does not constitute residency for limited enrollment selection purposes.**
- It is the applicant's responsibility to ensure all requirements are met and all documentation is on file.
- Accepted applicants must be 18 years of age before the program starts.
- All correspondence regarding your application will be sent to the email address given on your application and your Harper email address. It is your responsibility to see that your information is current. To update your personal information, you will need to contact the One Stop in Building A, Room A250.
- Official transcripts will be evaluated as they are received, and students will receive an email to their Harper email account when they have been evaluated. Results can be viewed online through the student portal. Transcript evaluations may take 10 - 12 weeks to process. Questions about transcript evaluations can be directed to the evaluation team.
- **Once your program application has been processed, you will be able to monitor your limited enrollment file online.** Go to harpercollege.edu and log into your **My Harper Student Portal**; limited enrollment information can be found under the **Registration and Records** section.
- It is very important that you make financial aid preparations well in advance of any deadlines so that you know exactly what resources are available to you.
