

**CERTIFIED NURSING ASSISTANT PROGRAM
Additional Costs for CNA Class: 2020**

CNA students are required to have the following items for their CNA class and clinical rotations. The costs below are outlined in detail; costs are approximate and except for the book, do not need to be purchased before the first day of class. If the costs of some of the items is a hardship, there are programs to help. Contact the One Stop to see if you qualify for help.

HARPER BOOKSTORE

COST

- | | |
|---|-----------------------|
| 1. Stethoscope - lightweight ADC. Littman (better but optional; get the best you can afford with choices of in-ear pieces). | \$18.00 or \$85.00 |
