I have carefully reviewed the Harper College Diagnostic Cardiac Sonography Degree Program Admission Requirements. I understand all of the admission requirements and my responsibility in meeting those requirements within the required timeline in order to be considered for admission to Harper's Diagnostic Cardiac Sonography degree program.

Further, I understand that:

- Satisfaction of the admission requirements does not guarantee acceptance into the program;
- It is my responsibility to see that I have submitted all required documents including official transcripts from all colleges attended;
- If accepted into the program, I am obligated to follow the program curriculum as defined at the time of acceptance; and
- If I am not granted admission for this program start, I must reapply and satisfy all admission requirements for a future program start.
