

EDUCATION PACKET

This guide is for students who plan to transfer and major in education. It contains the following information:

1. Sample Transfer Planning Guides for early childhood education, elementary education, secondary education, and special education majors. These transfer guides meet the requirements for the Associate in Arts (AA) degree and the Illinois Articulation Initiative's general education recommendations.

2. Information about education programs offered at the following schools in Illinois
 - Bradley University
 - DePaul University
 - Eastern Illinois University
 - Elmhurst College
 - Illinois State University
 - Loyola University
 - National-Louis University
 - North Central College
 - Northeastern Illinois University
 - Northern Illinois University
 - Roosevelt University
 - Southern Illinois University
 - University of Illinois at Chicago
 - University of Illinois at Urbana-Champaign
 - Western Illinois University

Requirements change frequently; students are encouraged to check current information with an advisor or counselor or with the transfer school directly. Final responsibility for verifying all transfer information lies with the student.

IMPORTANT INFORMATION – Please Read!!!!

This packet is designed for students majoring in Education. Since transfer information changes often, all students need to make sure they verify all the information with the 4-year college or university they are planning on transferring to.

Overview

Teacher Education programs can be very complex since students are not only trying to meet admission requirements for a particular college or university but are also trying to meet the State of Illinois requirements to obtain a professional teacher license. This packet gives a **GENERAL OVERVIEW** of programs and requirements at various colleges and universities in Illinois. In order to assure transfer of credit students need to contact the college or university they are planning on transferring to **DIRECTLY**.

Teaching Licensure Requirement

Effective February 1, 2012 students who are applying for their initial teaching licensure or additional endorsements must have a grade of C or better in all coursework required as part of their licensure program. This includes all endorsement areas, major courses and professional education.

Test of Academic Proficiency (TAP)

The Test of Academic Proficiency (TAP) is administered only as a computer-based test.

The Test of Academic Proficiency (TAP) consists of the following subtests:

- ICTS TAP: Reading Comprehension (401)
- ICTS TAP: Language Arts (402)
- ICTS TAP: Mathematics (403)
- ICTS TAP: Writing (404)

Examinees taking the Test of Academic Proficiency will have the opportunity to register for all four subtests in one test session or for each subtest independently. Examinees will not be required to complete subtests they have already passed.

If an examinee has previously passed one or more Basic Skills (300) subtests, the passing score(s) will count toward the passing of the Test of Academic Proficiency. However, test scores from the previous ICTS Basic Skills test model (096) (administered prior to September 11, 2010) cannot be applied to fulfill passing requirements.

Please check the web site for important new information: <http://www.il.nesinc.com/index.asp>

ACT Plus Writing

The Illinois State Board of Education recently adopted a policy to allow an ACT composite score to substitute for the Test of Academic Proficiency (TAP) required for admission to teacher education.

- Minimum Composite 22 and Writing score of 6 (test taken September 10th, 2016 or later) or
- Minimum Composite 22 and Writing of 16 (test taken September 1, 2015 to September 9, 2016) or
- Composite 22 and E/W combined of 19 (test taken Pre-September 2015)

Requirements and Process:

1) The version of the ACT the candidate took must have included the Writing test or it cannot be used to substitute for the TAP.

2) The test scores must be no older than 10 years at the time of admission to teacher education and submission to the Illinois State Board of Education.

SAT

- Composite score of 1030 (critical reading + mathematics = 1030 or higher) and a minimum score of 450 on writing (test taken Pre-March 5, 2016)
- Composite score of 1110 (evidence-based reading and writing + mathematics = 1110 or higher) and a minimum score of 26 on writing and language (test taken March 5, 2016 or later)

Effective August 2018 – students will need to submit test scores PRIOR to starting student teaching

Submitting Test Scores

1. Create account on the Educator Licensure Information System (ELIS) at
2. <https://www.isbe.net/Pages/Educator-Licensure-Information-System.aspx>
3. Request scores to be sent to ISBE directly from ACT or SAT
 - a. Use ACT code 3001
 - b. Use SAT code 6773
4. Check ELIS account to make sure scores have been accepted. **Please allow 60 days for information to be added to your ELIS account.**

Superscoring

Superscoring is now available on ACT/SAT. If you do not have an overall passing composite score, ISBE will add the highest subject scores from each test and divide by the total number of tests to for a composite score. Please email Licensure@isbe.net if you would like your tests superscored.

EDU 999

Effective Fall 2012 Harper College has begun offering prospective teachers a preparation course to help pass the Test of Academic Proficiency. The course covers reading, writing and mathematics. Please check the current Class Schedule for course offerings:

<http://goforward.harpercollege.edu/registration/index.php>

Licensure

Licensure Info-line 1-800-845-8749

Additional information about teacher licensure in Illinois may be obtained from at <https://www.isbe.net/Pages/Educator-Licensure.aspx>

Scholarships

There are several education scholarships made available through the Illinois Student Assistance Commission each year. The individual dollar amounts awarded are subject to sufficient annual appropriations by the Illinois General Assembly and the Governor. Several of these scholarships are available at <http://www.collegezone.com>, such as the Minority Teachers of Illinois (MTI) Scholarship Program , Illinois Future Teacher Corps (IFTC) Program (formerly the David A. DeBolt Teacher Shortage Scholarship Program), Illinois Special Education Teacher Tuition Waiver Program, Golden Apple Scholars of Illinois (Illinois Scholars Program) and the General Assembly Scholarship

SAMPLE TRANSFER PLANS

Early Childhood Education

Courses	Semester Hours
<u>First Semester</u>	
Communication - ENG 101 English Composition I	3
Major Discipline and Transfer Elective ¹ - ECE 101 Introduction to Early Childhood Education	3
Communication - SPE 101 Fundamentals of Speech Communication	3
Mathematics - See Group 2 in the AA Degree and transfer school information	4
Major Discipline and Transfer Elective ¹ – ECE 102 Child Development	3
<u>Second Semester</u>	
Communication - ENG 102 English Composition II	3
Social and Behavioral Science - HST 111 OR HST 112 are recommended	3
Physical and Life Science - See Group 3 in the AA Degree and transfer school information	4
Major Discipline and Transfer Elective ¹ – ECE 250 Health, Nutrition, and Safety	3
Major Discipline and Transfer Elective ¹ - ECE 252 Child, Family, Community	3
<u>Third Semester</u>	
Physical and Life Science - See Group 3 in the AA Degree and transfer school information	3
Humanities and Fine Arts* - See Group 4 in the AA Degree and transfer school information	6
Social and Behavioral Science - See Group 5 in the AA Degree and transfer school information	3
Major Discipline and Transfer Elective ¹ - EDU 201 Introduction to Education	3
<u>Fourth Semester</u>	
Humanities and Fine Arts* - See Group 4 in the AA Degree and transfer school information	3
Social and Behavioral Science - See Group 5 in the AA Degree and transfer school information	3
Major Discipline and Transfer Elective ¹ - EDU 219 Students with Disabilities in School	3
Major Discipline and Transfer Elective – See Group 6 in the AA Degree and transfer school information	5

¹ Students should consult with the transfer school as soon as possible to advise on which ECE and EDU courses to take that will transfer.

*For Humanities and Fine Arts select at least one course from humanities and one from fine arts. Interdisciplinary courses may count in either category.

For students following the 2005-2006 catalog or later, one course from humanities and fine arts or social and behavioral sciences must meet the world cultures and diversity requirement.

Elementary Education

Courses	Semester Hours
<u>First Semester</u>	
Communication - ENG 101 English Composition I	3
Major Discipline and Transfer Elective - EDU 201 Introduction to Education	3
Communication - SPE 101 Fundamentals of Speech Communication	3
Major Discipline and Transfer Elective – MTH 130 Mathematics for Elementary Teaching I	4
Social and Behavioral Science – PSY 101 Introduction to Psychology	3
<u>Second Semester</u>	
Communication - ENG 102 English Composition II	3
Mathematics – MTH 131 Mathematics for Elementary Teaching II	4
Social and Behavioral Science - HST 111 OR HST 112 are recommended	3
Physical and Life Science - See Group 3 in the AA Degree and transfer school information	4

Major Discipline and Transfer Elective – EDU 211 Educational Psychology 3

Third Semester

Physical and Life Science - **See Group 3 in the AA Degree and transfer school information** 3
Humanities and Fine Arts* - **See Group 4 in the AA Degree and transfer school information** 6
Social and Behavioral Science – PSC 101 American Politics and Government 3
Major Discipline and Transfer Elective – EDU 220 or EDU 250 3
Major Discipline and Transfer Elective – EDU 202 Pre-Student Teaching Clinical Experience 1

Fourth Semester

Humanities and Fine Arts* - **See Group 4 in the AA Degree and transfer school information** 3
Major Discipline and Transfer Elective – EDU 219 Students with Disabilities in Schools 3
Major Discipline and Transfer Elective – HED 200 Health 3
Major Discipline and Transfer Elective - **See Group 6 in the AA Degree and transfer school information** 3

*For Humanities and Fine Arts select at least one course from humanities and one from fine arts. Interdisciplinary courses may count in either category.

For students following the 2005-2006 catalog or later, one course from humanities and fine arts or social and behavioral sciences must meet the world cultures and diversity requirement.

Secondary Education

Courses **Semester Hours**

First Semester

Communication - ENG 101 English Composition I 3
Mathematics - **See Group 2 in the AA Degree and transfer school information** 3
Social and Behavioral Sciences – HST 111 or HST 112 is recommended 3
Major Discipline and Transfer Elective - EDU 201 Introduction to Education 3
Social and Behavioral Sciences – PSY 101 Introduction to Psychology 3

Second Semester

Major Discipline and Transfer Elective – EDU 250 Introduction to Technology in Education	3
Humanities and Fine Arts* – See Group 4 in the AA Degree and transfer school information	3
Major Discipline and Transfer Elective – See Group 6 in AA Degree and transfer school information	7

* For Humanities and Fine Arts select at least one course from humanities and one from fine arts. Interdisciplinary courses may count in either category.

One course from humanities and fine arts or social and behavioral sciences must meet the world cultures and diversity requirement for the Associate in Arts degree.

Frequently Asked Questions

Copied from the [Northern Illinois University Teacher Licensure web site](http://www.teacherlicensure.niu.edu/teacherlicensure/faq/index.shtml)

<http://www.teacherlicensure.niu.edu/teacherlicensure/faq/index.shtml>

1. What is required to teach in the State of Illinois public schools?

A teaching license issued by the Illinois State Board of Education (ISBE) based on

- Completion of a bachelor's degree,
- Completion of a state approved licensure program at an institution of higher education,
- Completion of coursework related to the exceptional child, particularly the learning disabled,
- Passing all state-required licensure tests, and
- Recommendation for licensure from the higher education institution.

2. Can an individual who is certified in another state obtain a corresponding Illinois license and endorsement?

Yes. In most cases, an individual who holds a valid license from another state, territory or country can obtain a corresponding Illinois license upon submission of appropriate documentation and passage of the relevant tests. Information on specific requirements for out-of-state teachers, administrators, and school service personnel is available through the State Board of Education: <https://www.isbe.net/Documents/oos-req-IL-credentials.pdf> and/or a Regional Office of Education: <https://www.isbe.net/Documents/roedirectory.pdf>.

3. Are there ways for a person with a degree in another field to obtain a teaching license in Illinois? Can it be done without completing a regular or traditional program or earning another degree?

Illinois law authorizes higher education institutions to develop and, with state approval, provide alternative routes to licensure programs. Although these programs are designed to provide a faster way to obtain licenses, the programs must address the same standards as required for "regular" route programs.

<https://www.isbe.net/Pages/ELAlternativeLicense.aspx>

4. Are there opportunities to teach in Illinois without a teaching license?

State law allows individuals to teach in non-public and charter schools without a teaching license. However, many of these schools choose to require that some or all of their teachers hold such relevant licensure.

State law also allows individuals who do not hold a teaching license to teach on a substitute license. Substitute licenses may be issued to individuals who meet the general requirements for licensure in Illinois; i.e., be 19 years of age, be a citizen of or legally present in the United States, and have good character and sound health; and have either a bachelor's degree or two years of teaching experience plus 60 hours of college credit, including six semester hours of professional education courses.

Substitute licenses are also issued to individuals who meet the general requirements for licensure and have a license valid for teaching in the public schools.

Some individuals who do not have a license may be eligible for a transitional bilingual education license. This licensee has a limited period of validity during which the holder must work toward full licensure. It is available to individuals who have a bachelor-equivalent degree from the U.S. or a foreign country; or who have held a valid license or comparable teaching authorization from another state, territory or foreign country; and who can meet specified language requirements in English and another language.

For more information, contact a Regional Office of Education at <https://www.isbe.net/Documents/roedirectory.pdf> or the State Board of Education at <https://www.isbe.net/Pages/Licensure.aspx>

Q: Does a master's degree certify a person to teach in a public school?

A: No, an Illinois teaching license is required. However, some master's degree programs provide opportunities for acquiring Illinois teacher licensure.

Q: Is a master's degree required to teach in the State of Illinois?

A: No.

Q: What is a "highly-qualified" teacher in Illinois and how does a teacher earn that status?

A: In response to the federal *No Child Left Behind Act of 2001*, the State Board of Education has established criteria for teachers to be considered "highly-qualified." The state criteria are aligned with the federal requirements and are intended to provide educators and school districts with guidance for assuring that all teachers in core academic subjects are "highly-qualified" in each area of teaching responsibility by the end of the 2005-2006 school year. To learn more, please refer to Part 25, Appendix D of the State Board of Education Administrative Rules at <https://www.isbe.net/Documents/25ark.pdf#page=332>

Q: In which areas of education is an individual most likely to get a job? What areas of licensure are in high demand?

A: Demand for teachers and education specialists depends on many factors, including region of the state, district type and size, district finances, prior year turnover, etc. However, in general, there is a strong and continuing need for special education teachers and other specialists such as speech-language therapists; bilingual education and ESL teachers; school service personnel (counselors, social workers and psychologists); remedial reading teachers; and math and science teachers. There is also an increasing need for superintendents and principals.

Although there is a need for general classroom or self-contained elementary teachers in some districts, the overall supply of elementary teachers exceeds the demand in any given area. Prospective elementary teachers may want to talk with an advisor about the pros and cons of seeking licensure in subjects other than, or in addition to, elementary education.

The State Board of Education regularly studies the supply and demand for various types of educators in Illinois. For more information, please refer to the 2003 Education Supply and Demand in Illinois at <https://www.isbe.net/Documents/25ark.pdf>

Q: I want to teach outside of the State of Illinois. How do I find out what is required in other states?

A. The National Association of State Directors of Teacher Education and Licensure (NASDTEC) website at <http://www.nasdtec.org/> provides links to the licensure departments in all states and territories.

MAJORS

Teacher Education Programs Offered at Bradley:

- Early Childhood with ESL Endorsement
- Elementary Education with ESL Endorsement
- Middle School Education with ESL Endorsement
- Learning Behavior Specialist I (Special Education)
- High School Education: Biology, Chemistry, English/Language Arts, Family Consumer Sciences, History/Social Studies, Mathematics, Physics
- K-12 Programs: Art, Music

ADMISSION

Admission to 300, 400 & 500-level courses in the Department of Teacher Education require a minimum of a cumulative 2.5 GPA and a 2.5 in the education major. Middle School and High School education students must also have a 2.5 in the courses which comprise the teaching field. Through the freshman and sophomore year students may remain in teacher education courses if their overall GPA is not below a 2.0.

- Ordinarily, students make application to candidacy in the fall or spring semester of their sophomore year.
- Students must earn a C or better in English, Math, Speech and all required courses for elementary and early childhood, this is a C or better in every course.
- Students must pass College Algebra or demonstrate their mastery of college algebra through a placement test.

MAJORS

Majors offered in the School of Education at Lincoln Park:

- Early Childhood – leads to Type 04 (birth-grade 3) IL licensure
- Elementary – leads to Type 03 (1-6) IL licensure
- Secondary – leads to Type 03 (6-12) IL licensure: biology, chemistry, English, geography, history, mathematics, social science, physics, and visual arts
- Special Education – leads to LBS1 (K-12) IL licensure
- Foreign Language – leads to Type 10 (K-12) IL licensure: French, German, Italian, Japanese and Spanish
- Physical Education – leads to Type 10 (K-12) IL licensure: teaching concentration, fitness management concentration (fitness management concentration does not lead to licensure)
- Music Education – leads to Type 10 (K-12) IL licensure
- Students need to contact the School of Music for this major.

ADMISSION

Beginning Fall Quarter 2006 Applicants for School of Education will be required to have a minimum grade point average of 2.50 on all transferable courses. Transfer applicants (under 24 years of age) with fewer than 30 semester hours must meet freshman admission requirements.

Admissions requirements for Early Childhood, Elementary, Foreign Language, Physical Education, Secondary and Special Education include:

- Transfer students may transfer directly into the DePaul School of Education. Transfer students must have a 2.50 GPA and 30 semester hours to be granted admittance into the School of Education as a teacher education candidate. All individuals must meet additional requirements to be eligible to apply for advanced teacher education candidacy in the Teacher Education programs. A separate application process is required.
- Students must also pass a School of Education basic computer competency assessment for advanced standing.
- All School of Education students must have a US History class or American Government class and an Introduction to Philosophy class, which would be exceptions to the IAI. Courses that will meet this requirement include HST 111 or HST 112, PSC 101 and PHI 105.

Students interested in transferring to DePaul University should consult the DePaul Harper Transfer Guide for all transfer related information:

<http://www.depaul.edu/admission-and-aid/types-of-admission/transfer-student/transferring-your-courses/Pages/transfer-guides.aspx>

ELEMENTARY EDUCATION 2+2

The transfer guide below outlines a 2+2 plan to complete the Associate in Arts at Harper and transfer to DePaul to complete a Bachelor of Science in Elementary Education.

Harper College – DePaul University

From A.A. degree in Education to B.S. in Elementary Education

Harper College: Associate of Arts in Education

Harper 1 st Semester			Harper 2 nd Semester		
Course number	Course title	Credit Hour	Course number	Course title	Credit Hour

MAJORS

Majors offered in the College of Education & Professional Studies:

- Elementary Education (1-6)
 - General option (1-6)
 - Early childhood option (birth-grade 3),
 - Middle school option (5-8)
- Health Studies
- Physical Education
- Recreation Administration (non-teaching)
- Special Education (K-12) early childhood option, standard special option, elementary and secondary
- Secondary Education (6-12): Art, Business Education, Communication Disorders and Sciences, Driver Education, English/Language Arts, Foreign Languages (French and Spanish), Social Studies, Family and Consumer Sciences, Mathematics, Music, Physical Education, Sciences, Technology Education, Theatre Arts*

* Requires licensure in a second field

ADMISSION

All students must attend the University Admission to Teacher Education meeting before the first 30 days of enrollment at EIU. It is recommended that this be completed at least one semester prior to enrollment. Call the education department at 217-581-2524 for upcoming dates and times or visit www.eiu.edu/ceps/teached.

- Submit a formal application for University admission to Teacher Education
- Complete at least 29 semester hours of college credit.
- Establish a cumulative minimum GPA of 2.65/4.0. Transfer students may use their transfer GPA as long as they complete numbers 2-4 above no later than 30 days after their initial enrollment at EIU.
- At least a C in Harper's ENG 101, ENG 102, and SPE 101 or 102.
- Minimum grade of C in 3 semester hours of college math. Elementary education majors and special education majors require MTH 130 and 131.
- Minimum grade of C or better in one of the following courses:
 - EDU 201 for elementary education majors.
 - EDU 202 for secondary education majors.
 - KIN 200 for physical education majors.
 - Special Education, Physical Education and Music Education students must take particular coursework at EIU. (KIN 200 is still a requirement for physical education majors, but is no longer the course required for Selection).
- Submit letter of intent to the Office of the Dean, College of Education & Professional Studies.
- Complete other requirements:
 - Clearance from the University Health Service and the Speech & Hearing Clinic (\$5.00 fee). Phone 217- 581-2712.
 - Complete the first required Criminal Background Investigation (\$15).
 - Document successful completion of Technology Proficiency.

SECONDARY EDUCATION

To meet State of Illinois requirements for licensure you must take certain courses. You may count these courses toward a bachelor's degree or take them after earning the degree. You will need specific courses in general education and in the subject you plan to teach. These courses may exceed those required for a bachelor's degree.

Secondary Teacher Licensure Programs in the following areas are available:

- Art (K-12)
- Business Education
- Communication Disorders and Sciences (K-12)
- Driver Education
- English /Language Arts
- Foreign Languages (French and Spanish)
- Health Studies
- Social Science (Designations in History, Political Science, Sociology/Anthropology, Psychology and Geology)
- Family and Consumer Sciences
- Mathematics
- Music (K-12)
- Physical Education (K-12)
- Sciences (Designations in Biological Sciences, Chemistry, Physics, Earth Sciences)
- Technology Education
- Theatre Arts (Requires licensure in a second field)

MAJORS

Majors offered in the Education Department:

- Early Childhood (preschool-grade 3), special education approval available
- Elementary (1-6)
- Secondary (K-12): Foreign Language (French, German, Spanish), Music, Physical Education
- Secondary (6-12): English, Mathematics, Science (Biology, Chemistry, Physics), Social Science (History, Political Science), Theater Arts.
- ***Please note that students, who are interested in studying social science for secondary education, will need to take a broad range of social science courses in addition to their major area. See the Elmhurst catalog for further details.**
- Special Education (K-12): LBS1-Learning Behavior Specialist I

ADMISSION

The admission requirements listed below only represent the minimum to be considered and do not guarantee admission.

- 32 semester hours earned
- ENG 101 and 102 with a C or better
- 2.75 cumulative GPA
- 3.0 major GPA for art, foreign language or history
- 2.75 major GPA for biology, early childhood education, elementary education, English, music education, physical education, political science, special education and theatre arts
- 2.5 major GPA for chemistry, mathematics and physics
- Two professional recommendations
- 500 word personal statement
- Education courses must be completed within 10 years of admission to the program

Check the following link for more information:

MAJORS

Majors offered in the College of Education:

- Early Childhood (birth-grade 3)
- Elementary (1-6)
- Junior High/Middle School (5-8)
- Secondary (6-12): Agriculture, Anthropology, Art, Biological Sciences, Business, Chemistry, Communication, Economics, English, Family & Consumer Sciences, French, Geography, German, Health Education, History, Technology Education, Journalism, Mathematics, Music, Philosophy, Physical Education, Physics, Political Science, Psychology, Reading, Social Science, Sociology, Spanish, Teaching English as a Second Language and Theatre
- Special Education (K-12): Specialist in Learning & Behavior Sequence; Specialist in Deaf & Hard of Hearing Sequence; or Specialist in Low Vision & Blindness Sequence.

ADMISSION

Early Childhood Education

The State of Illinois has required courses in the Core Content areas which are part of most Community College's Transferrable General Education Curriculum (AA degree or AS degree). A student planning to transfer to ISU in the Early Childhood Education program should take the preferred courses in several of the below listed categories, if possible, prior to transfer. If these are not take prior to transfer, the student can always take them at ISU but it could delay graduation. Please note that ISU will accept up to 70 semester hours from a community college. Please note that all courses must have a grade of "C" or better.

- ENG 101 or 102
- SPE 101
- Any IAI Math – MTH 165 is recommended since it will meet the math and economics requirement below
- BIO 101 or 110 or 115
- CHM 100 or 103 or 105 or 110 or PHY 100 or 121
- ESC 110 or 113 or 121
- HST 111 or 112
- ECO 211 or 212 (if MTH 165 was completed above, then ECO requirement is met)
- GEG 100 or 101 or 103 or 104
- PSC 101

Additional recommended courses include:

- ECE 102
- EDU 219
- EDU 220
- LIT 219 – only if pursuing Reading Endorsement

An acceptable score on one the approved state tests of basic knowledge will be required prior to beginning student teaching:

- ACT tests taken under current ACT format (9/1/2015 or later) must have a minimum composite of 22 and minimum writing score of 16 on the same test. ACT tests taken under the older format (prior to 9/1/2015) must have a minimum composite score of 22 and a minimum combined English/Writing score of 19 on the same test.
- SAT composite score of 1110 (Evidence-based Reading & Writing and Math) and minimum of 26 on Writing/Language Test. If taken prior to March 5, 2016 the SAT composite score of 1030 (Critical reading & mathematics) and a minimum of 450 in writing is required.
- TAP (Test of Academic Proficiency series #400) with all 4 parts successfully completed.

Elementary Education

- 60 semester hours completed for elementary education
- Minimum cumulative and major GPA of 3.00

The State of Illinois has required courses in the Core Content areas which are part of most Community College's Transferrable General Education Curriculum (AA degree or AS degree). A student planning to transfer to ISU in the Elementary Education program should take the preferred courses in several of the below listed categories, if possible, prior to transfer. If these are not taken prior to transfer, the student can always take them at ISU but it could delay graduation. Please note that ISU will accept up to 70 semester hours from a community college. Please note that all courses must have a grade of "C" or better.

- ENG 101 or 102
- SPE 101
- MTH 131
- BIO 101 or 110 or 115
- CHM 100 or 103 or 105 or 110 or PHY 100 or 121
- ESC 110 or 113 or 121
- LIT 219
- HST 111 or 112
- ECO 211 or 212
- GEG 100 or 101 or 103 or 104
- PSC 101

Additional recommended courses include:

- ECE 102
- EDU 219
- MTH 103 (students may be able to test out of this)

An acceptable score on one of 3 approved state tests of basic knowledge will be required prior to beginning student teaching:

- ACT tests taken under current ACT format (9/1/2015 or later) must have a minimum composite of 22 and minimum writing score of 16 on the same test. ACT tests taken under the older format (prior to 9/1/2015) must have a minimum composite score of 22 and a minimum combined English/Writing score of 19 on the same test.
- SAT composite score of 1110 (Evidence-based Reading & Writing and Math) and minimum of 26 on Writing/Language Test. If taken prior to March 5, 2016 the SAT composite score of 1030 (Critical reading & mathematics) and a minimum of 450 in writing is required.
- TAP (Test of Academic Proficiency series #400) with all 4 parts successfully completed.

Middle School

- Minimum GPA 2.75
- Five Core Areas of Specialization:
 - Language Arts/English
 - History/Social Science
 - General Science
 - Mathematics
 - Reading
- ECE 102 is required
- Any IAI Math is required. The Math sequence will depend on the content area chosen for your degree. Math 130 and 131 is recommended for students choosing the mathematics content area.

The State of Illinois has been revising standards and endorsements for those planning to teach grades 5-8. Illinois State University has developed a new program which program meets State requirements for all who plan to graduate from ISU in Middle Level after September 1, 2017.

Every teacher candidate planning on this major must take a core set of Education classes (41 semester hours) at ISU as well as a concentration in at least 2 subject areas (see below). Taking any of these classes prior to transfer would be beneficial to the student. Please note that ISU will accept up to 70 semester hours from a community college. Please also note all courses must have a grade of "C" or better.

Regardless of concentration, these two courses are required of every Middle Level Major:
ISU's ENG 101 Composition 1 and ISU's COM 110 Fundamentals of Speech

An acceptable score on one of 3 approved state tests of basic knowledge will be required prior to beginning student teaching:

- ACT score of 22 which included the writing portion and a combined English/Writing score of 19
- SAT composite score of 1030 and a 450 in writing
- TAP (Test of Academic Proficiency) with all 4 parts successfully completed

Special Education

- Need to complete either IAI or AA/AS
- Minimum 2.70 GPA for admission.
- Recommended courses to take: ECE 102, EDU 219 and EDU 211. Also a global perspectives course.
- MTH 130 and MTH 131 are recommended for the Math sequence.
- For all Special Education majors, observation of a special education classroom is highly recommended prior to starting major.

MAJORS

Majors offered in the School of Education:

- Elementary (1-6)
- Bilingual/Bicultural Elementary Education
- Science Education (K-9)
- Special Education: Learning Behavior Specialist (K-12)
- Secondary (6-12): Biology, Chemistry, English, History, Mathematics, Political Science, Psychology, and Theatre
- Secondary (K-12): French, Italian, Latin, and Spanish

ADMISSION

Admission to Loyola requires a minimum of a 2.5 GPA. Secondary education students should have a 2.8 GPA or better in the subject they are planning to teach.

Admission to professional education courses in elementary education requires the following:

- At least a 2.8 GPA in elementary education courses.
- C or better in required ENG 102
- Successfully complete three specified education courses—EDU 201, EDU 211 and MTH 130.
- Admission to professional education courses in special education requires the following:
- Successfully complete four specified education courses (three courses can be completed at Harper; one course, CIEP 338, Theories of Learning, must be taken at Loyola)—EDU 201, EDU 211 and MTH 130.
- Admission to professional education courses in secondary education requires the following:
- Successfully complete two specified education courses (one course can be completed at Harper; one course, CPSY 337, Adolescent Development and Implications for Education must be taken at Loyola)—EDU 201

SECONDARY EDUCATION

The School of Education now offers an innovative program combining a secondary education major with a major in an additional subject. These additional subjects include: biology, chemistry, English, history, mathematics, physics, political science, psychology, theatre or a foreign language (French, Italian, Latin or Spanish). This program, the first of its kind among Chicagoland universities, enables graduates to be recognized as experts both in teaching techniques and in a specific subject area.

Through this program, students:

- Earn a Bachelor of Science in Education (B.S.Ed.) and either a Bachelor of Science (B.S.) or Bachelor of Arts (B.A) degree
- Complete licensure requirements and upon graduation are ready to teach grades 6-12 in: biology, chemistry, English, history, mathematics, physics, political science, psychology or theatre; or grades K-12 in a foreign language (French, Italian, Latin or Spanish)
- May finish this combined program for most subjects in four years, significantly faster than if they earned both degrees separately even if they study abroad for a semester
- Are more marketable and may command higher salaries than other graduates who hold one degree

MAJORS

Majors offered in the National College of Education:

- Early Childhood (birth-age 8)
- Elementary (1-6)
- Secondary Education (6-12) – **Secondary Education licensure is only available at the Master's Degree level.**

ADMISSION

- All transfer students interested in education will enter into the College of Arts & Sciences. Transfers must take 12-15 hours of course work at National-Louis before being reviewed for admission into the National College of Education.
- Students must pass the English Competency Test and the Math Screening Test prior to admission.
- Students must have a 2.5 GPA at National-Louis and a 2.0 GPA in each discipline (math, science, humanities, and social science).
- Students who receive two D's or any F's in any professional (education) course work will not be admitted to the National College of Education.
- The National Louis Wheeling campus does not offer a Bachelor of Arts in Elementary Education. The traditional offering of the program is on the Chicago and Evanston Campuses. The BA in Elementary Education is also offered in a cluster/cohort format on the Elgin and Lisle Campuses as well as McHenry Community College. The cluster model is a two year program and can be done full-time in the evening or a combination of classes during the day and one evening. The admission requirements for the cluster program are successful completion of the required general education courses, (per National Louis/Harper College transfer guide) and a passing score on the Illinois Basic Skills test. The enrollment representative for the Elgin Campus and McHenry Community College is Caroline Mc Gawley--1-800-443-5522 ext. 8051; email caroline.mcgawley@nlu.edu.

SECONDARY EDUCATION

Secondary Education licensure at NLU is **only offered at the Master's Degree level**. Students interested in teaching grades 6-12 must pursue a Bachelor's degree in one of four areas: English, Biology, Mathematics, or Social Sciences and then immediately advance into the Master of Arts in Teaching degree in Secondary Education. It is a five-year program.

MAJORS

- Majors offered in the College of Education:
- Early Childhood (birth-grade 3)
- Elementary (1-6)
- Secondary (K-12): Art, French, Music, Physical Education, Spanish
- Secondary (6-12): Biology, English, History, Mathematics
- Special Education (K-12)
- Bilingual/Bicultural Education (K-9)
- Human Resource Development-to prepare professionals who will be responsible for the training, education, and development of adults in settings such as business, industry, health care, social service, museums, zoos, prisons, and federal, state and local government (**not a licensure program**). *Human Resource Development and Inner City Studies majors are not required to complete a background check.*
- Inner City Studies Education-the primary function of this program is the retraining of inner city career persons who desire to work in inner communities. A live interactive television classroom connects the Center with the main campus of Northeastern Illinois University (**not a licensure program**). *Human Resource Development and Inner City Studies majors are not required to complete a background check.*
- Health & Wellness-Health and Wellness majors choose from two tracks: Secondary Health Education and Community Health and Wellness. The Secondary Health Education track prepares students for health education teaching positions in secondary schools (grades 6-12). Students completing the Secondary Health Education major and graduating from Northeastern Illinois University are entitled to Illinois State Teacher Licensure in health education. The Community Health and Wellness track prepares students for professional positions in a variety of health-related settings, including government, industry, the non-profit sector, and health service delivery organizations. The Community Health and Wellness track is a non-teacher licensure track (**not a licensure program**).

ADMISSION

- C or better in English 101

- C or better in College Level Math
- A minimum 2.5 GPA (Special Education and Physical Education require a 2.75)
- A minimum 30 semester hours (this can be transfer coursework or courses taken at NEIU)

To apply to the College of Education students must turn in the following:

Please visit the College of Education website for all application materials that are necessary.

- A completed application.
- A recommendation form from a university professor.
- Students who are first applying to NEIU's College of education, without completion of one full semester at the university, must submit a copy of transcripts with transfer GPA.
- Students who have completed a full semester at the university must print a copy of their NEIU transcripts from their NEIU port account.
- A complete fingerprint background check is required as part of the admission process.

NOTE: Envelope containing background information must remain sealed and submitted with the rest of the application.

MAJORS

Majors offered in the College of Education

- Kinesiology
 - Athletic Training (B.S.)
 - Preventative and Rehabilitative Exercise Science (B.S.)
- Physical Education (B.S.Ed.)
 - 6-12 and K-12 Teacher Licensure
- Early Childhood Education (B.S.)
 - IL Type 04 - Birth through Grade 3
- Elementary Education (B.S.Ed.)
 - IL Type 03 – Grade 1 through Grade 9
- Middle Education (B.S.Ed.) – *Coming soon – Contact NIU College of Education for details*
- Physical Education (K-12 licensure or 6-12 licensure)
- Special Education
 - Learning Behavior Specialist I (B.S.Ed.)
 - Visual Impairments (B.S.Ed.)
- Secondary (IL Type 09 - Grades 6-12): English/Language Arts, Family & Consumer Science, Health Education, Mathematics, Science (Biology, Chemistry, Earth & Space Science, Environmental Science, Physics), Social Science (Economics, Geography, History, Political Science, Psychology, Sociology/Anthropology)

ADMISSION

- Admission to the university or to a degree program in an academic department, school, or college does not necessarily constitute acceptance into a licensure program. Candidates for admission to a teacher licensure program should apply directly to the academic department responsible for administering the program regarding information about admission.
- All candidates for admission to teacher licensure programs must demonstrate competence in reading, communication and mathematical skills. Candidates should contact the department responsible for administering the licensure program regarding specific procedures for demonstrating this competence.
- Secondary Education students are encouraged to contact their teaching discipline coordinator very early in the fall or spring semester prior to their enrollment to receive information regarding being able to register for NIU's ILAS 201 (clinical experience) for their first semester. If a student does not do this, there is a distinct chance this class will be full when they go to register for it.

Completion of AA					

Special Education – Bachelor of Arts

Students graduating from the special education program will earn a bachelor's degree and Type 10 licensure with LBS1 approval. They will be highly qualified to teach children from PreK-age 21 with the following diagnosed disabilities or combination of disabilities: behavior disorders, autism, mental retardation, learning disabilities, physical disabilities, and other health impairments, and traumatic brain injury at all levels of severity.

The following are the requirements for enrollment in the College of Education Special Education program (Type 10, Birth-21):

- Admission to the university
- Junior status (60 semester hours)
- 2.5/4.0 cumulative grade point average on all previous college level coursework
- Completed application for continued enrollment in the Special Education program (after successful completion of the first 9 semester hours in the special education sequence, i.e., 3/0/4.0, which should include EDU 201 and EDU 211 to fulfill the minimum hours required).

Early Childhood Education - Bachelor of Arts

Early Childhood Education undergraduate students at Roosevelt University can earn a BA degree in education and a Type 04 state teaching license in early childhood education. Integrated with this degree and license program is a state approval in early childhood special education. This means that all students who earn this degree and license are eligible to teach in educational settings from birth through 3rd grade, including those in which children with special needs are integrated.

All undergraduates must fulfill Roosevelt University general education requirements before they can be admitted to this degree and license program. In addition:

- A cumulative **GPA of 2.5** is required at the time of admission to the program (inclusive of all courses taken as an undergraduate student).

Secondary Education (SEED)

SEED is designed for students who wish to become teachers in grades 6-12 who have or are seeking academic majors in business, English, chemistry, biology, mathematics, and social studies. (Students interested in teaching Theater Arts can pursue an endorsement in theater as a part of an English major.)

Admissions Requirements

Undergraduates seeking licensure in secondary education must meet all admission requirements as established in their major. Students must **maintain an overall GPA of 2.7 with a GPA of 3.0 in their major to remain in the secondary education program**. Students who do not meet these requirements will not be allowed to enroll in student teaching.

Test requirements

Students must **pass the Test of Academic Proficiency/ACT Plus Writing/SAT** before student teaching. The ICTS Content Area test must be passed before student teaching. The ICTS Assessment of Professional Teaching test must be passed before the candidate can be recommended for licensure.

Formal Admission to the College of Education Secondary Education Program

Formal admission to the program is granted on condition of 1) successful completion of at least 6 semester hours in the program with no grade below a "B", 2) a recommendation for admission from a full-time secondary education faculty member who has knowledge of the candidate's performance, 3) a recommendation from the program advisor that the candidate has established or is successfully working towards major equivalence, and 4) a written statement of the student's educational autobiography or educational philosophy

MAJORS

Majors offered in the College of Education:

- Early Childhood
- Elementary (1-6)
- Secondary (6-12): Agriculture, Automotive Technology, Architectural Drafting, Biological Sciences, Business Education, English, Family and Consumer Science, French, German, Health Education, Mathematics, History/Social Science, Spanish, Technology Education
- Secondary (K-12): Music, Physical Education, Visual Arts
- Special Education

ADMISSION

Admission to the College of Education and Human Services does not guarantee admission to the Teacher Education Program. Admission to the Teacher Education Program must be pursued by students seeking state licensure. Listed below are the specific requirements for admission. Application packets and information are also available in the Office of Teacher Education, Wham Building 135.

If you want to begin your professional course work in a fall semester, you must be admitted to the TEP the preceding spring semester.

MAJORS

Majors offered in the College of Education:

- Urban Education: Elementary Education (1-6)
- Human Development and Learning (non-licensure)
- Elementary Education with a Special Education concentration - A 5 year program leads to a specialization in Special Education and the start of a Masters degree (additional coursework is required for the M.Ed.)

Majors offered in the College of Liberal Arts and Sciences

- Secondary Education (6-12): Chemistry, English, French, German, History, Mathematics, Physics, and Spanish. (Endorsements available in ESL, Bilingual and Middle School)

ELEMENTARY EDUCATION ADMISSION REQUIREMENTS

The following requirements are the minimum to be considered for admission:

- 60 semester hours completed upon entry (44 semester hours at time of application), including prerequisite curriculum on the last page
- Minimum GPA of 2.5/4.0 (3.0 GPA is recommended to be considered for the College of Education).
- All courses require an earned grade of C or better. Grades of P, S, CLEP and ACT credit do not fulfill the state of Illinois Licensure Requirements.
- 50 service learning/observation hours working with a diverse group of students in an urban educational setting
- Goal statement – discussing in 250-300 words in what ways you believe you possess the critical characteristics of an urban elementary teacher
- Two letters of recommendation

MAJORS and MINORS

Majors offered in the College of Education

- Learning and Education Studies – *non-licensure program*
- Early Childhood Education (birth-grade 3)
- Elementary Education (1-6)
- Middle Grades Education (5-8)
- Special Education (K-12, Learning Behavior Specialist I)

Minor offered in the College of Education

- Minor in Secondary School Teaching (6-12) – prepares teachers of science, mathematics, social studies, and English at the middle school and high school levels. It is a component of the teaching option within the following Science and Letters majors: biology, chemistry, English, geology, history, mathematics, and physics. Enrollment is limited to candidates in these options.

Majors offered outside of the College of Education for Secondary Education:

- Biology, Chemistry, English, Geology, History, Mathematics, and Physics

ADMISSION

The College of Education has a detailed transfer course pattern for all of its education programs.

All prospective transfer students who are applying directly into one of the College of Education majors (Early Childhood Education, Elementary Education or Special Education) must:

- successful completion of 60 transferable hours of college-level coursework
- have a minimum grade point average of 2.5 although a GPA closer to 3.0 (A=4.00) is highly recommended
- provide evidence of having 50 hours of formal experience working with children or youth comparable to the age-level served in the program of application
- successful completion of transfer equivalents listed below before the desired term of entry

MAJORS

Majors

- Bilingual/Bicultural Education (1-6)
- Early Childhood (birth-grade 2)
- Elementary (1-6)
- Secondary (6-12): Agriculture Education, English, Mathematics, Science (Biology, Chemistry, and Physics), Social Science (History)
- Special (K-12): Art, French, Music, Physical Education, Spanish
- Special Education (K-age 21)

ADMISSION

Admission to the Teacher Education Program requires the following:

- Students must submit their first reflective paper and meet portfolio requirements for admission while at WIU. Students are advised and encouraged, but not required, to keep all their papers/projects for possible inclusion in their portfolio.
- Satisfactory completion of 30 semester hours of approved course work with a 2.75 cumulative and major grade point average is required for admittance and continuation in the Teacher Education Program.
- Students must successfully complete the Test of Academic Proficiency/ACT Plus Writing. The test covers math, reading, grammar, and writing. This test is offered six times each year. Test dates and a separate study guide may be accessed at: <http://www.isbe.net/licensure/> or <http://www.icts.nesinc.com/>.
- Minimum grade of C or better in Harper's ENG 101, 102, SPE 101, MTH 103* and MTH 165 as well as any professional education courses
- Satisfactory performance on the Speech and Hearing examination while at WIU
- An Illinois State Police background investigation while at WIU which will be completed again prior to student teaching.
- As one of the Teacher Education Program (TEP) entrance requirements completed at Western, students submit an E-portfolio (TaskStream) to include a minimum of 3 entries addressing 3 different standards with reflective statements. Students are given the opportunity to select entries to meet IL teaching standards for their own E-portfolio. Students are encouraged, but not required, to retain coursework (papers, projects, audio or videotape of speeches/presentations, etc) for possible inclusion in their portfolio.
- Complete TEP admission requirements may be found at <http://www.wiu.edu/cpep/tep.html> and additional information on portfolio at <http://www.wiu.edu/cpep/PDF/TEPHandbook.pdf>
