

William Rainey Harper College

Bradley University offers a Bachelor of Science in Nursing (BSN). Consideration for admission to our BSN as a transfer student requires the following:

3.0 recommended GPA for consideration

- **Achievement of a “C” or better within required courses**
- **Completion of required courses as listed below by start at Bradley**

Required courses for the Nursing Program at Bradley University:

ENG 101+102
SPE 101
PSY 101
SOC 101
CHEM 110
CHEM 125
BIOL 160+161
BIOL 130

Other Recommended Courses:

MATH 165
PSY 216
Nutrition
HIST 141 or 142
A Non-Western course (3 hours)
Any Fine Arts (3 hours)
Any PHI or LIT (3 hours)

Other Important Facts:

- **Students transferring into our program begin on the sophomore level unless they are an RN or LPN.**
- **A 15-year time limitation will be imposed upon chemistry, physiology, microbiology and nutrition courses.**
- **We are only accepting applications for the fall semester, not spring. Priority application deadline of December 1**
