TRANSFER OPTIONS

Complete AA or AS Degree

Students planning on transferring to Bradley University who complete the AA or AS degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS degree with a 2.0 GPA in Groups 1-5, Bradley's general education requirements will be considered met.

Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS Degree

Students who choose to transfer prior to completing an AA or AS degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet Bradley's general education requirements.

Students who do not complete the AA or AS or the GECC will need to meet Bradley's Core Curriculum requirements. See the transfer grid on page 3 of this guide.

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

Applicants who have earned 24 or more semester hours of college work will be considered for admission on the basis of college performance only.

- A cumulative 2.5 average for all hours attempted and good standing at the last college attended are necessary.

Students with less than 24 accumulated hours must submit their high school record including ACT and/or SAT scores.

TRANSFER CREDIT

- Transfer of credit is awarded on a course-by-course basis.
- Transfer credit from two-year colleges is limited to 66 semester hours.
- Grades of D are transferable, but may not satisfy major, minor or concentration requirements

ADDITION INFORMATION FOR BUSINESS AND EDUCATION MAJORS

Students planning on majoring in Business or Education should consult the Business Packet or the Education Packet found at www.harpercollege.edu/transfer for additional transfer requirements.

FOREIGN LANGUAGE REQUIREMENT

Not all majors at Bradley require a foreign language. Students seeking a BA degree will be required to complete 3 semesters of foreign language courses. International Business requires a college foreign language. Bradley will accept CLEP, IB and AP credits, but not another institution's proficiency exam.

APPLICATION DEADLINES

Applications should be completed no less than 30 days in advance of the start of the semester for which the student is applying. It is strongly recommended that transfer students apply several months prior to the beginning of the semester. Those students who are interested in academic scholarship opportunities are encouraged to complete their application by March 1.

\$10,000-12,000 Transfer Scholarships awarded to students with a 3.0 GPA or higher.
