### TRANSFER OPTIONS

#### Complete AA or AS Degree

Students planning on transferring to DePaul University who complete the AA or AS degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS degree with a 2.0 GPA in Groups 1-5, DePaul's general education requirements will be considered met.

Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement. In addition DePaul has specific mission-related courses that are not covered by this agreement.

#### Transfer without completing AA or AS Degree

Students who choose to transfer prior to completing an AA or AS degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet DePaul's general education requirements.

Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement. In addition DePaul has specific mission-related courses that are not covered by this agreement.

Students who do not complete the AA or AS or the GECC will need to meet DePaul's general education requirements. See the transfer grid on page 4 of this guide.

### ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

Transfer applicant must be in good standing at the last college attended. For admission consideration, the College of Liberal Arts & Social Sciences, the College of Communication, the College of Computing & Digital Cinema and the School of Theater require a 2.0 GPA based on transferable courses.

For admission consideration, the College of Commerce, the College of Education and the School of Music require a 2.5 GPA.

Transfer applicants (under 24 years old) with fewer than 30 transferable semester hours should be qualified to meet freshman admission standards.

## **TRANSFER GUIDES**
