¹"C" or better is required for Composition I, Composition II and Public Speaking.

²One of these math courses will fulfill the General Education Math requirement at EIU.

³Apply to Eastern Illinois University one year prior to enrollment.

⁴One general education course must be designated as culturally diverse.

⁵Lower division general education courses may be taken at Harper College, however, 56 hours still must be taken from a senior level institution.

⁶Students planning to submit a portfolio must take OPD 3000. Students must take OPD 4810 if they are not planning to submit a prior learning portfolio.

⁷40 upper division hours are required for graduation. This can be met through general education, portfolio, or a combination.

⁸All Courses listed for EIU can be taken online. Some courses are offered online and in the Chicago-land area (Triton, Grayslake).

⁹The courses (ENG102 & MAT requirement) are not currently offered in Fast Track (although they would be on the main campus). These courses are additional requirements for Fast Track Business Administration AAS students interested in completing a B.S in Organizational and Professional Development.

Note - OPD majors are exempt from the foreign language requirement at Eastern.
