Dear Agnes,

I want to thank you for your continued efforts in creating a beneficial partnership between Harper College and The Illinois Institute of Art-Schaumburg.

Enclosed you will find the revised Table A- Course Equivalency Matrix for the 2008 Interior Design Articulation Agreement. As we discussed, The Illinois Institute of Art-Schaumburg has made a minor realignment of three course equivalencies. The change was made in order to better meet the needs of Harper students who transfer prior to completing their associates' degree at Harper. This change in equivalencies will not modify the Harper courses required, nor transfer credit issued by ILIS, for students utilizing the 2008 articulation agreement. Therefore, no change in the actual agreement is necessary.

Please acknowledge your receipt of and agreement with the stated Table A revision by signing and returning one copy of this letter.

Sincerely,

A handwritten signature in black ink that reads 'Judy Dunne'. The signature is written in a cursive style with a large initial 'J'.

Director of Articulation
