For details of all requirements, refer to each institution's Catalog.

For credits to transfer the student must have earned at least a "C" from courses at least 100-level or higher (not pre-college, remedial or developmental) and from a regionally-accredited college.

This is a general guide, not a final plan for every student. Student's transcripts must be reviewed before IWU can provide a final approval on what credits transfer.

William Rainey Harper College and Indiana Wesleyan University reserve the right to make changes to either the program or the courses identified in this Transfer Planning Guide without prior notification.
