

**AN ARTICULATION AGREEMENT
BETWEEN
HARPER COLLEGE
AND
JUDSON UNIVERSITY**

This agreement is made by and between Harper College and Judson University.

Whereas, it is the desire of the Parties to expand educational services to the greatest number of students in the Community College District,

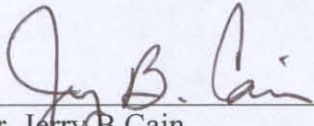

Whereas, the Parties believe that implementation of this agreement holds promise for the further development of higher education in the Community College District,

Therefore, Judson University agrees to provide upper-level courses and baccalaureate degree programs in articulation with Harper College Fast Track Business, AAS Core, Marketing.

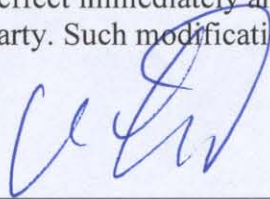

1. Students in good standing will be allowed to transfer all of their completed coursework, 81 hours for those entering a Bachelor of Arts degree program in the Center for Adult Professional Studies program. Below is a breakdown of credits required for graduation at Judson University:

- 62 credit hours earned at Harper College through their Fast Track Business program (AAS Core to AAS Marketing)
- 9 credit hours of General Education courses (to be completed at Judson University or Harper College).
 - English 102
 - Fine Arts
 - Math or Science (required for AAS Management or Marketing only)
- 10 elective hours (to be completed at Judson University or Harper College)
- 3 credit hours - GEN301 – *Becoming a Successful Student* (requirement for all Judson University students)
- 42 credit hours to be completed at Judson in the Management and Leadership major.
- Math credit will only transfer if the course is taken for credit. Internal exams will not transfer.

2. It is understood that this agreement will take effect immediately and will stand until modification is deemed necessary by either party. Such modification shall be officially noted in writing.
