Work & Life Skills

Graduation Requirements of the AA degree from Harper:

These requirements apply to students who first enrolled for fall 2010 or later. Students who first enrolled prior to fall 2010 should obtain the appropriate sheet of requirements from a Student Development Center.

A student must submit to the Registrar's Office a Petition for Graduation no later than one week after the mid-term of the semester in which the student intends to receive a degree or certificate. The student's records are reviewed and the student is notified of his or her eligibility to obtain a degree. Working in conjunction with the College's Graduation Committee, the Registrar's Office also coordinates Commencement which is held each May.

Southern Illinois University Carbondale Information:

The Business Administration Degree Completion program at Southern Illinois University Carbondale requires 42 hours of 300/400 level course work from a four year institution in order to complete a bachelor of science degree from an AACSB accredited program. The AACSB accreditation is the highest standard of achievement for a business school, worldwide. Many employers look for graduates from an AACSB program, because they have graduated from a quality program. SIU College of Business is in the top 5% of colleges of business in the nation.

Students must apply to the University to the Business and Administration (BNAD) program. Courses are taught in 'content areas' during a traditional semester, which include two-eight week classes during the traditional 16 week term. Students may start the program in January, May, or December. The program is eligible for financial aid. Student services, including academic advisement and career placement, are available.
