

**University of Illinois at Chicago
APPLIED HEALTH SCIENCES**TRANSFER GUIDE
2017-2018

Tuition: \$15,906 – \$17,206 per year
Room & Board: \$10,200 per year
Enrollment: 26,000

Chicago, IL 60680
312-996-4350
www.uic.edu

THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

KINESIOLOGY

UIC's undergraduate program in kinesiology offers concentrations in movement science and exercise science & health promotion. The movement science concentration is intended for students who want a strong academic program focusing on the human body. This degree prepares graduates for the rigors of graduate school and postgraduate professional training in areas such as medicine, occupational therapy, and physical therapy. The Exercise Science and Health Promotion and Movement Science concentrations prepare students for graduate, postgraduate professional training and careers in areas such as medicine, research, occupational therapy, physical therapy, dentistry, pharmacy, personal training, health related businesses and other health-related opportunities.

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

Transfer students must have a minimum of 24 semester hours at the time of application, 36 semester hours upon entry to UIC, and a 2.50 GPA (on a 4.0 scale) to apply to the Department of Kinesiology. Minimum GPA does not guarantee admission. Average GPA of admitted students is 2.90-3.60.

It is strongly recommended that students choose a maximum of 60 semester hours on this guide to maximize the transferability of coursework.

Transfer requirements recommended at time of application:

- English Composition—ENG 101 and ENG 102 (6 semester hours)
- Precalculus—MTH 140 (5 semester hours)
- Principles/General Biology I w/lab*—BIO 115 **and** 116 (both courses must be done)

Other recommended (not required) courses include

- BIO 160 and 161
- KIN 200
- PSY 101
- Understanding the Past (3 semester hours)
- Exploring World Cultures (3 semester hours)
- Understanding U.S. Society (3 semester hours)
- Understanding the Creative Arts (3 semester hours)

* BIO 115 and 116 will give students credit for BIOS 100 and 101 at UIC.

For students pursuing the Movement Science Concentration, CHM 121, 122 and MTH 200 are highly recommended for admission.

Please see the course grid on page 4 of this guide for additional course options and recommendations.

HEALTH INFORMATION MANAGEMENT

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

60 semester hours of college credit are required prior to starting the HIM program. The following specific prerequisites are required as part of the 60 hours, and must be completed with a minimum grade of C:

- English: ENG 101 and 102
- General biology with lab: BIO 115 **and** 116
- Human anatomy and physiology: BIO 160 and 161
- Statistics: MTH 165
- Mathematics: MTH 103 or higher (in the STEM pathway)
- Psychology: PSY 101
- Computer science: CIS 101
- Additional Analyzing the Natural World: **Met by BIO 116**
- Understanding the Creative Arts: one course
- Understanding the Past: one course
- Understanding U.S. Society: one course
- Exploring World Cultures: one course
- Electives: To complete a minimum of 60 semesters

Recommended electives:

- accounting
- American government
- business writing
- calculus (if MBA is a consideration)
- computer technology
- economics
- health politics and policy
- interpersonal communications
- speech

All applicants who meet the admission requirements and have complete applicant files are considered for admission. Application files are used to determine the position of each applicant in a uniform ranking system. This uniform ranking scale is based on both academic and nonacademic criteria.

Students seeking admission must meet these minimum requirements:

- Junior standing with 60 semester credit hours of acceptable preprofessional course work completed at an accredited college/university
- Successful completion before enrollment of required courses
- Cumulative grade point average of 2.50 on a 4.00 scale for all completed undergraduate studies. (Minimum GPA does not guarantee admission. Average GPA of admitted students is 2.90-3.60).
- Demonstrated reading and writing proficiency; ability to convey maturity; desire to work with people; and ability to direct work of others
- Thorough understanding of the professional health information manager's role and responsibilities
- For online instruction, you must meet the minimum technical requirements, which can be found at <http://www.ahs.uic.edu/bhis/admissions/criteria.php>

Admission is competitive and requires special application materials available from the College of Applied Health Sciences. Supplemental application materials must be submitted to the department. The material can be accessed at:

http://www.ahs.uic.edu/bhis/admissions/apply_him.php

Health Information Management admits students only to the Fall semester. Students may enter any term to complete the prerequisite course work in the College of Liberal Arts & Sciences provided the student meets that college's admission requirements.

NUTRITION

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

- ENG 101 and 102
- SPE 101
- BIO 115* and 116* (both courses must be done)
- BIO 160* and 161*
- CHM 121* and 122*
- CHM 204*
- MTH 103 or higher (in the STEM pathway)
- CHM 220*
- Understanding the Creative Arts: one course
- Understanding the Past: one course
- PSY 101
- SOC 101
- DIT 110
- DIT 101
- Electives: To complete a minimum of 60 semester hours

*Courses should be taken within five years of starting the program.

Effective for Fall 2017 Microbiology and Statistics will no longer be required and have been replaced by Anatomy and Physiology.

Transfer students must have 60 semester hours upon entry to the University and minimum cumulative 2.5 GPA (4.0 scale). Minimum GPA does not guarantee admission. Average GPA of admitted students is 2.90-3.60.

The pre-human nutrition courses listed on the previous page must be completed prior to starting the program. Admission is competitive and requires special application materials available from the College of Applied Health Sciences. Human Nutrition admits students only to the Fall semester. Students may enter during any term to complete the prerequisites in the pre-human nutrition program in the College of Liberal Arts & Sciences provided the student meets that college's admission requirements (students will need to apply as an undeclared major if they choose this option). For on-line application materials, please refer to the Human Nutrition web site at <http://www.ahs.uic.edu/kn/programs/nutrition.php>

PROSPECTIVE STUDENT INFORMATION SESSION

Nutrition offers an information session for prospective students on the first Monday of the month at 5:30pm (except when UIC is closed) at 1919 W. Taylor Street, Room 607. For more information, call 312-355-1908.

MAJOR TRACK INFORMATION

The Departments of Human Nutrition offers two major tracks (the *coordinated program* track and the *nutrition science* track) that lead to the Bachelor of Science degree. The coordinated program is focused on the practice of nutrition (i.e. dietetics) and, upon successful completion students are eligible to take the Registration Examination administered by the Commission on Dietetic Registration, and become a Registered Dietitian (RD). The nutrition science track emphasizes intensive study in biological and physical sciences as a basis for understanding the science of nutrition and the relationships between nutrients and human health. Those students who complete the nutrition science track are eligible to apply for an American Dietetic Association accredited internship.

TRANSFEROLOGY

Students interested in transferring to UIC should utilize Transferology to see how their courses will transfer and also to plan any future courses accordingly. Transferology can be accessed at www.transferology.com. If you need assistance using Transferology please stop by Academic Advising and Counseling in Building I, Room 117 or call 847-925-6393.

TRANSFER CREDITS

Transfer credit is awarded on a course-by-course basis. A maximum of 60 semester hours from a community college may be applied toward a bachelor's degree.

UIC is a participant in the Illinois Articulation Initiative (IAI). Students who complete the AA degree prior to transfer or who complete the IAI GECC should make sure to inform their advisor at UIC.

CALCULATION OF ADMISSION GRADE POINT AVERAGE

Grades for all baccalaureate-oriented course work attempted is used in computing the transfer GPA. However, a particular school or college may not accept all courses toward a degree and may delete credits and grades for such courses.

APPLICATION

Effective with the Fall 2013 application UIC has begun to use the Common Application: <https://www.commonapp.org/>

Transfer students have the option to complete the Common Application or the UIC Web Application:

http://www.uic.edu/depts/oar/undergrad/apply_transfer.html

For the Common Application the only materials that need to be submitted are:

- application
- UIC supplement (accessed through the Common Application)
- all college transcripts
- application fee

Some specific majors may require letters of recommendation but those will be submitted separately and not through the Common Application. No Common Application Supplemental Forms are required.

APPLICATION DEADLINES

Fall: March 31st*
January 15th for International Students

***The deadline for Nutrition is January 15th**

***Health Information Management, Nutrition and Kinesiology only accept students for the Fall semester**

TRANSFER SCHOLARSHIPS

PHI THETA KAPPA SCHOLARSHIP

Each fall and spring the Honors College awards the Phi Theta Kappa Scholarship, a one-time, one-semester tuition waiver, to new Honors College transfer students. Transfer students to the college who are members of Phi Theta Kappa, the community college honor society, have a minimum of a 3.5 transfer GPA, and are enrolled for at least 12 credit hours during the fall term are eligible to apply. This scholarship is competitive and not all eligible students will receive an award.

TRANSFER MERIT TUITION AWARD

The UIC Transfer Merit Tuition Awards are given on a competitive basis to new transfer students each fall and spring. Applicants must be enrolled in a baccalaureate degree program, have a minimum transfer GPA of 3.25 on a minimum of 45 transfer credits, and be enrolled for at least 12 credit hours. A written statement outlining your educational and career goals and how you have financed your education thus far and a copy of financial aid awards statement should be submitted along with a completed application.

HOW TO USE THIS TRANSFER GUIDE

The following pages list course work for the College of Applied Health Sciences at University of Illinois at Chicago. Included are areas of study, number of courses required in each, and Harper courses that will transfer to UIC and meet these various requirements.

ADDITIONAL ASSISTANCE

For assistance with the transfer process, contact:

- Academic Advising and Counseling Center in I-117 (847-925-6393)
- Center for Multicultural Learning in A-347 (847-925-6522)
- Career Development Center in A-347 (847-925-6220)

Below are the general education requirements for the College of Applied Health Sciences **(SAMPLE ONLY)**

Final verification needs to be made using Transferology (www.transferology.com)
