Admission to UIC’s College of Nursing is competitive. The average GPA for admitted students was 3.40 to 3.80. Nursing admits students to the Fall semester only. Supplemental application materials, including letters of recommendation, are required. A link to the supplemental application material will be emailed to the student once the general UIC transfer application has been submitted.

Students not eligible for admission into the College of Nursing may apply to the College of Liberal Arts & Sciences as pre-Nursing provided the student meets that college’s admission requirements.

Students who hold an active RN license and have completed all the prerequisite course work should apply for the RN/BSN Completion Program through the U of I Global Campus. The program is entirely online.
Please note that once students are admitted to nursing at UIC they will take an advanced level nursing statistics course at UIC. Math is not required for admission to UIC nursing, however if students want to take a statistics course at Harper to better prepare for the nursing statistics at UIC, such as MTH 165, they can, but the course will transfer as an elective and is not required for admission.

LOCATION
The Nursing program is offered at UIC, at the University of Illinois at Springfield and at the University of Illinois at Urbana-Champaign. All three programs are run through UIC’s College of Nursing. Students must choose which location they would like to apply to. The supplemental application is sent directly to either Chicago, Springfield or Urbana-Champaign.

Effective with the Fall 2013 application UIC has begun to use the Common Application: https://www.commonapp.org/

Transfer students have the option to complete the Common Application or the UIC Web Application:

For the Common Application the only materials that need to be submitted are:

- application
- UIC supplement (accessed through the Common Application)

Some specific majors may require letters of recommendation but those will be submitted separately and not through the Common Application. No Common Application Supplemental Forms are required.
