THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

TRANSFER OPTIONS

Complete AA or AS* Degree

Students planning on transferring to the University of Illinois at Urbana-Champaign who complete the AA or AS* degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS* degree with a 2.0 GPA in Groups 1-5, UIUC's general education requirements will be considered met. Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS* Degree

Students who choose to transfer prior to completing an AA or AS* degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS* with a cumulative 2.0 GPA. This completes the IAI General Education Core Curriculum (IAI GECC) which will meet UIUC's general education requirements.

Students who do not complete the AA or AS* or the IAI GECC will need to meet UIUC's general education requirements. See the transfer grid on page 5 of this guide

* On September 18, 2015 the Illinois Community College Board approved the changes to the AS degree. The changes are effective beginning with the 2016-2017 academic year. The new AS model requires fewer humanities and fine arts and social and behavioral sciences and requires additional mathematics and science. Effective the 2016/2017 catalog the AS will no longer include the IAI GECC package. Students who complete the AS degree will need to make sure to meet UIUC's general education requirements.

GENERAL ADMISSION GUIDELINES

Admission of transfer applicants is based on a combination of the hours and content of transferable credit and the transfer GPA.

Most transfer programs also require the completion of prerequisite coursework prior to enrollment. The Transfer Handbook lists all such requirements by programs of study. Detailed transfer course information is available on the UIUC Admissions web site (<http://admissions.illinois.edu/index.html>) to help you determine the transferability of any coursework.

If the number of qualified applicants to a college or curriculum exceeds the admissions quota, those best qualified will be admitted, and preference may be given to Illinois residents. Lower-division (sophomore) transfer applicants (students with less than 60 transferable semester hours) may be restricted when space is limited.

Applicants are also required to answer one essay question on the application and are given an opportunity to submit additional information:

- **Essay 1:** In an essay of 300 words or less, explain your motivation to transfer from your current/previous institution and how your academic interests and/or professional goals will be fulfilled in your intended program of study.
- **Essay 2 (optional):** If you selected a second choice major, please explain your interest in this major.

ADMISSION DECISION FACTORS

Admission of transfer applicants is based on a combination of the hours and content of transferable credit and the transfer GPA. Admission of sophomore applicants is based on a combination of college and high school credentials, including ACT/SAT scores.

The following factors are considered in an admission decision:

- Course prerequisites for specific program
- Transferable cumulative GPA and sometimes a technical GPA
- Number of transferable credit hours required for specific program
- Additional information supplied in your application essays
- High school performance and ACT/SAT scores will be reviewed if you are applying with less than 30 graded transferable college credit hours at the time of review

The University of Illinois at Urbana-Champaign considers transfer students for admission at either the sophomore or junior level. The specific requirements for each level are listed below.

ADMISSION TO THE COLLEGE OF BUSINESS

- Admission to the College of Business is highly competitive. The College requires prospective applicants transfer GPA to be between 3.0 to 4.0 (A=4.00). However, the average transfer GPA is based on that of the applicant pool; the GPA range for the fall 2016 accepted applicants was 3.60 – 4.00.
- The college will utilize a holistic review process which will assess the entire student record (academic performance, demonstrated analytical and critical thinking skills, leadership ability, work experience and Personal and Professional Essays).
- Leadership skills are essential! All students should have at least one activity or experience that highlights this prior to applying to UIUC's College of Business.
- Transfer applicants are strongly encouraged to include a résumé with their application in addition to their Personal/Professional Statement. Personal and Professional Essays really give the college a better indication of why you want to study business at UIUC and the goals you have for your future. Your statements might include:

- Interest or experience in business
- Employment or volunteer activities
- State or national recognition for talent, creative ability, leadership, or academic achievement
- An ethnic or cultural background or an age group that will add diversity to this campus
- Extenuating circumstances that significantly affected an otherwise exceptionally good academic record
- Any other information that you feel would complete your profile

ADMISSION REQUIREMENTS

Admission requirements vary by College and Department at the University and are based on the number of credit hours the student has completed prior to transfer.

Students should consult the Transfer Handbook to verify the latest transfer admissions requirements:

<http://admissions.illinois.edu/apply/Transfer/handbook>

In addition, students should also consult the Transfer Articulation Guides to see specific Harper courses that are required:

<https://www.admissions.illinois.edu/Apply/Transfer/TransferArticulationGuide>

TRANSFEROLOGY

Since the admissions process can be quite complex students interested in the University of Illinois at Urbana-Champaign should create a Transferology account at www.transferology.com to view how courses transfer and to help plan their coursework prior to transfer.

FOREIGN LANGUAGE REQUIREMENT

Although the specific foreign language requirements listed below are for students applying with 60 credit hours completed, all students should make every attempt to complete the foreign language graduation requirement prior to transfer.

For Admission: (Must be completed prior to the desired term of entry)

- **three years of one language other than English in high school OR**
- **through the second level (2 semesters) of one language other than English in college**

For graduation:

- satisfied by completion through the **fourth year** of one language other than English in high school **OR**
- through the **fourth level** (4 semesters) of one language other than English in college.

If this college's Language Requirement for graduation has been completed, additional transferable coursework should replace each of the Language Requirement courses listed below. Consultation with the transfer institution's advising staff is strongly recommended.

If a Harper College student completes through the 4th level (4 semesters) of either Arabic or Japanese, the UIUC Colleges of Business will accept completion through the 4th level of either non-primary language as satisfying either college's Language Requirement for graduation, regardless of the actual articulations. If a student does not complete through the 4th level at Harper College and will continue to study the same non-primary language at UIUC, the student will be required to complete a placement exam to determine that student's proficiency and level of competency. Placement may be backtracked to a level less than that already completed at Harper College, per the results of the placement exam.

TRANSFER CREDIT

Transfer credit is awarded on a course-by-course basis.

UIUC participates in the Illinois Articulation Initiative (IAI) Transferable General Education Core Curriculum. See a Harper counselor or advisor for details.

CALCULATION OF ADMISSION GRADE POINT AVERAGE

All grades for repeated courses are used in calculating the admission GPA. Grades from all transferable coursework attempted will be averaged together.

APPLICATION DEADLINES

Fall Priority: February 1
Fall: September 1-March 1 (decision in mid-April)

The College of Business will only be considering transfer applicants for fall admission.

HOW TO USE THIS TRANSFER GUIDE

The following pages list general education course work for the College of Business at the University of Illinois at Urbana-Champaign, including areas of study, number of courses required in each, and Harper courses that will transfer to UIUC and meet these various requirements. General Education Requirements for the College of Business at the University of Illinois at Urbana-Champaign

Individual majors may require additional course work for admission and/or additional general education course work for graduation. Final decisions regarding the acceptance of credit rest with University of Illinois at Urbana-Champaign. Please verify all course selections at www.transferology.com. Students beginning college summer 1998 or later and who transfer with Harper's AA or AS (1998-2015) or the IAI General Education Core (Groups 1-5) complete, must still fulfill the requirements in gray.
