## Fire Protection Services – Fire Science Option

The 2+2 is a four-year plan that leads to a Bachelor of Science degree in Fire Protection Services at WIU.

Students intending to complete a baccalaureate degree in Fire Protection Services from WIU should follow the Associate in Applied Science degree program outlined in this brochure from Harper College.

Students who complete the AAS Fire Science Technology degree at HC may transfer to WIU and complete their degree in Fire Protection Service in an additional two years.
