Tuition and Enrollment 2015-2016

Tuition & Fees:	\$15,602 - \$20,606 per year
Room & Board:	\$10,848 per year
Enrollment:	42,000
Calendar:	Semester system
Institution Type:	Public

THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

TRANSFER OPTIONS

Complete AA or AS Degree

Students planning on transferring to the University of Illinois at Urbana-Champaign who complete the AA or AS degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS degree with a 2.0 GPA in Groups 1-5, UIUC's general education requirements will be considered met. Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS Degree

Students who choose to transfer prior to completing an AA or AS degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet UIUC's general education requirements.

Students who do not complete the AA or AS or the GECC will need to meet UIUC's general education requirements. See the transfer grid on page 12 of this guide

GENERAL ADMISSION GUIDELINES

Admission of transfer applicants is based on a combination of the hours and content of transferable credit and the transfer GPA.

Most transfer programs also require the completion of prerequisite coursework prior to enrollment. The Transfer Handbook lists all such requirements by programs of study. Detailed transfer course information is available on the UIUC Admissions web site (<http://admissions.illinois.edu/index.html>) to help you determine the transferability of any coursework.

If the number of qualified applicants to a college or curriculum exceeds the admissions quota, those best qualified will be admitted, and preference may be given to Illinois residents. Lower-division (sophomore) transfer applicants (students with less than 60 transferable semester hours) may be restricted when space is limited.

Applicants are also required to answer one essay question on the application and are given an opportunity to submit additional information:

- **Essay:** In an essay of 300 words or less, explain your motivation to transfer from your current/previous institution and how your academic interests and/or professional goals will be fulfilled in your intended program of study.
- **Additional Information (optional):** If you selected a second choice major, please explain your interest in this major.

ADMISSION DECISION FACTORS

Admission of transfer applicants is based on a combination of the hours and content of transferable credit and the transfer GPA. Admission of sophomore applicants is based on a combination of college and high school credentials, including ACT/SAT scores.

The following factors are considered in an admission decision:

- Course prerequisites for specific program
- Transferable cumulative GPA and sometimes a technical GPA
- Number of transferable credit hours required for specific program
- Additional information supplied in your application essays
- High school performance and ACT/SAT scores will be reviewed if you are applying with less than 30 graded transferable college credit hours at the time of review

The University of Illinois at Urbana-Champaign considers transfer students for admission at either the sophomore or junior level. The specific requirements for each level are listed below.

ADMISSION REQUIREMENTS (NON-TEACHING)

Admission requirements vary by major. The following information is taken from UIUC's Transfer Handbook. **It is very important that in addition to the information below, students refer to the transfer handbook to verify transfer requirements:** http://admissions.illinois.edu/apply/requirements_transfer_handbook.html

All Majors must have:

- At least one transferable course specific to major must be completed prior to transfer
- Minimum 2.70 GPA unless otherwise noted

African American Studies

- At least one transferable course in the major
- ENG 101 and 102

Anthropology

- ANT 101

Other highly recommended (not required) courses include:

- ENG 101 and 102
- Foreign language

Art History

- ART 130 and 131

Other highly recommended (not required) courses include:

- ENG 101 and 102
- Foreign language

Astronomy

- MTH 200 and 201
- Foreign language recommendation

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202
- PHY 201
- PHY 202

Other highly recommended (not required) courses include:

- PHY 203
- ENG 101 and 102

Atmospheric Science

- CHM 121
- MTH 200
- MTH 201
- Foreign language recommendation

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202
- PHY 201

Other highly recommended (not required) courses include:

- PHY 202 and 203
- ENG 101 and 102

Biochemistry

- 3.20 minimum GPA
- CHM 121 and 122
- MTH 200
- BIO 110 and 140
- Foreign language recommendation

For students who have completed 60 hours or more, in addition to the courses above

- CHM 201 or 204
- MTH 201

Other highly recommended (not required) courses include:

- MTH 202
- PHY 201 (additional physics will be required for graduation)
- ENG 101 and 102
- Humanities and Arts
- Social Sciences

Chemical and Biomolecular Engineering

- Minimum 3.20 GPA
- 60 credit hours completed
- CHM 121 and 122
- MTH 200, 201, 202
- PHY 201, 202, 203

Other highly recommended (not required) courses include:

- ENG 101 and 102
- CHM 204
- MTH 212
- CSC 121
- Humanities and Arts
- Social Science
- Foreign language recommendation

Chemistry

- CHM 121, 122
- MTH 200, 201
- ENG 101 and 102
- Foreign language recommendation

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Other highly recommended (not required) courses include:

- CHM 201 or 204
- PHY 121 and 122 or PHY 201 and 202*

*Transfer students seeking to complete an American Chemical Society [ACS] accredited program in Chemistry will need to meet with the Department of Chemistry and seek to complete the Specialized Curriculum in Chemistry after arrival on campus. This program requires PHY 201 and 202, additional preparatory Chemistry coursework and includes an extended time to graduation.

Communication

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- SPE 101
- ENG 101 and 102
- Foreign language recommendation

Comparative and World Literature

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- LIT 208
- LIT 206 or 207
- LIT 105 or 110 or 115
- HST 141 and 142
- ENG 101 and 102
- Foreign language recommendation

Computer Science and Anthropology

- 3.20 minimum GPA
- CSC 214 or CSC 122 (required CSC 121 as prereq)
- MTH 200 and 201

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Other highly recommended (not required) courses include:

- ANT 101
- ENG 101 and 102
- Foreign language recommendation

Computer Science and Astronomy

- 3.20 minimum GPA
- CSC 214 or CSC 122 (required CSC 121 as prereq)
- MTH 200 and 201

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Other highly recommended (not required) courses include:

- PHY 201, 202, 203
- ENG 101 and 102
- Foreign language recommendation

Computer Science and Chemistry

- 3.20 minimum GPA
- CSC 214 or CSC 122 (required CSC 121 as prereq)
- MTH 200 and 201

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Other highly recommended (not required) courses include:

- CHM 121 and 122
- CHM 201 or 204
- PHY 121 and 122
- ENG 101 and 102
- Foreign language recommendation

Computer Science and Linguistics

- 3.20 minimum GPA
- CSC 214 or CSC 122 (required CSC 121 as prereq)
- MTH 200 and 201

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Other highly recommended (not required) courses include:

- ENG 221 or 222
- PSY 101
- ENG 101 and 102
- Foreign language recommendation

Earth, Society and Environmental Sustainability

Science of the Earth System (SES)

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- CHM 121
- ECO 211
- MTH 200
- MTH 162 or 165 or MGT 225
- PHY 121 or 201
- ENG 101 and 102
- BIO 110 and 140
- GEO 101 or GEG 111 and 112
- GEG 100 or SOC 101
- Cultural Studies: Non-Western /U.S. Minority Culture
- Cultural Studies: Western/Comparative Culture
- Humanities & the Arts: Literature & the Arts
- Foreign language

Earth, Society and Environmental Sustainability

Society and the Environment (SAE)

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- ECO 211
- MTH 162 or 165 or MGT 225
- ENG 101 and 102
- BIO 110 and 140
- Cultural Studies: Non-Western /U.S. Minority Culture
- Cultural Studies: Western/Comparative Culture
- Humanities & the Arts: Literature & the Arts
- Foreign language recommendation

East Asian, Latin American and Russian Studies

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- ENG 101 and 102
- Foreign language

Economics

- ECO 211 and 212
- MTH 200

Other highly recommended (not required) courses include:

- MTH 201 (strongly recommended)
- ENG 101 and 102
- Foreign language recommendation

English

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- ENG 101 and 102
- LIT 221, 231 and 232
- HST 111 or 112 or 141 or HST 142 or HST 151 or 152
- LIT 206 or LIT 207
- Foreign language recommendation

French, German, Italian, Portuguese, Russian, Spanish

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- SPE 101
- HST 141 and 142 or LIT 206 and 207
- ENG 101 and 102
- Foreign language recommendation

Gender and Women's Studies

- At least one transferable course in the major
- ENG 101 and 102
- Foreign language recommendation

Geography

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- GEG 100, 103, 111 and 112
- ENG 101 and 102
- MTH 124, MTH 134 or 200 (for students specializing in Physical Environment)
- Social Science
- Foreign language recommendation

Geology

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- CHM 121 and 122
- MTH 200
- PHY 121 or 201
- PHY 122 or 202
- ENG 101 and 102
- Foreign language recommendation

Global Studies

- Foreign language recommended - at least 6 credits of advanced language coursework beyond the LAS graduation requirement
- 3.0 GPA is required to participate in a study abroad program (which is part of the degree requirements)

Other highly recommended (not required) courses include:

- PSC 270 and 280
- SOC 101
- ENG 101 and 102

History

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- HST 141
- HST 142
- HST 111
- HST 112

- ENG 101 and 102
- Foreign language recommendation

Integrative Biology

- BIO 110 and 140
- ENG 101 and 102
- CHM 121 and 122

Other highly recommended (not required) courses include:

- MTH 162 or 165 or MGT 225
- MTH 200
- CHM 201
- Foreign language recommendation

Linguistics

- At least one transferable major course

Other highly recommended (not required) courses include:

- ENG 221 or 222
- ENG 101 and 102
- ENG 201
- PSY 101
- Foreign language

Mathematics and Computer Science/Statistics and Computer Science

- 3.20 minimum GPA
- 3.0 GPA required in all mathematics coursework
- MTH 200 and 201
- CSC 122 or 214

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Other highly recommended (not required) courses include:

- MTH 220
- ENG 101 and 102
- Foreign language recommendation

Statistics and Computer Science also recommends (not requires):

- MTH 165 or MGT 225

Mathematics, Actuarial Science and Statistics

- 3.0 GPA required in all mathematics coursework
- MTH 200 and 201

For students who have completed 60 hours or more, in addition to the courses above

- MTH 202

Mathematic and Actuarial Science highly recommend (not require):

- CIS 106 or CIS 168 or CSC 121 or CSC 208 or CSC 214

Statistics highly recommend (not require):

- ENG 101 and 102
- Foreign language recommendation

Molecular and Cellular Biology

- 3.0 GPA required in technical (science and math) courses
- BIO 110 and 140*

- MTH 200
- CHM 121 and 122

Other highly recommended (not required) courses include:

- CHM 201
- MTH 201 or 162 or 165 or MGT 225
- ENG 101 and 102
- Foreign language recommendation

*Students should complete the MCB Transfer Student Diagnostic Test to ensure placement into the appropriate course. Information about the MCB Transfer Student Diagnostic Test can be found at this URL:

<http://mcb.illinois.edu/undergrad/transferdiagnostic.html>.

Philosophy

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- PHI 105
- PHI 101 or 102
- PHI 205
- ENG 101 and 102
- Foreign language recommendation

Physics

- 3.0 GPA required in technical coursework (math and physics)
- PHY 201
- MTH 200 and 201

For students who have completed 60 hours or more, in addition to the courses above

- PHY 202 and 203
- MTH 202

Other highly recommended (not required) courses include:

- CHM 121
- ENG 101 and 102
- Foreign language recommendation

Political Science

- At least one transferable course in the major

Other highly recommended (not required) courses include:

- PSC 101, 250 and 270
- ECO 211 and 212
- PHI 101 or PHI 102
- PSY 101
- MGT 225 or MTH 165 or MTH 200 or 201
- ENG 101 and 102
- Foreign language recommendation

Psychology

- 3.0 minimum GPA
- PSY 101
- MTH 162 or 165 or MGT 225
- ENG 101 and 102

Other highly recommended (not required) courses include:

- Two additional PSY courses
- Foreign language

Religion

- At least one course in the major

Other highly recommended (not required) courses include:

- HST 141 and 142 **or** LIT 206 and 207
- ENG 101 and 102
- Foreign language

Sociology

- At least one course in the major

For students who have completed 60 hours or more, in addition to the courses above

- SOC 101
- MTH 162 or 165 or MGT 225

Other highly recommended (not required) courses include:

- ENG 101 and 102
- Quantitative Reasoning I
- HST (any HST)
- Additional Sociology
- Foreign language recommendation

SECONDARY EDUCATION ADMISSION REQUIREMENTS

The Secondary Education option in the College of Liberal Arts and Sciences (LAS) includes content work in your major and professional education courses in the College of Education. Students who successfully complete this degree will have a bachelor's degree in the major area of study and a license to teach that subject (English, Math, Science or Social Studies) in the state of Illinois.

The requirements for admission to the Secondary Education Teaching minor are available at <http://education.illinois.edu/programs/undergrad/programs-degrees/ci-sec-ug>. You may also wish to review the Secondary Education website at <http://las2ed.wikispaces.com/>. If you are interested in pursuing the Secondary Education Teaching option, you are strongly encouraged to contact LAS-Teach@illinois.edu to discuss the requirements for admission to the minor.

If you are interested in obtaining a degree in your major with a Secondary Education minor, you must designate your interest on your transfer application by checking the Secondary Education box as an educational goal. Your application will then go through a two - step process.

First, LAS will review your application materials. In order to be considered for the Secondary Education minor, you must enter with one of the following majors: Biology (IB or MCB), Chemistry, English, Geology, History, Math or Physics.

If you are offered admission to the College of Liberal Arts and Sciences, your application will then be reviewed by the Records Officer in the College of Education to determine if you are eligible to enter the Secondary Education minor. The Records Officer will notify you of the results of this review. You will not be required to complete any other application process (i.e. the "To Apply" section at http://education.illinois.edu/programs/se_appl does not apply to transfer students).

Admission to the minor leads to a two - year professional education sequence beginning in the fall. If you cannot complete program requirements within 10 semesters total (including transfer hours as determined by your Admissions and Records Officer in LAS), you will need to consider alternative routes to teacher licensure.

Transfer Admission directly into the Secondary Education Teaching minor is very limited. Due to sequencing of courses and prerequisites, the majority of students must wait until the following spring to apply to the minor and may require up to 5 years total schooling. Admission to your major does not guarantee admission to the Secondary Education Teaching minor.

FOREIGN LANGUAGE TEACHER EDUCATION (FLTE) PROGRAM & THE BACHELOR OF ARTS IN TEACHING FOREIGN LANGUAGE (BAT)

BAT initial licensure programs for Grades K-12 include the following languages: Chinese, French, German, Japanese, Latin or Spanish.

What You Need to Know If You Are Considering the BAT Program

- To ensure that content & general education courses are completed prior to the start of the final year of the BAT professional education sequence, it is essential that students interested in pursuing the BAT discuss their academic plans & intentions with their language advisor prior to the start of Fall Semester.
- It is not possible to begin the final year of the professional education sequence until all required content, general education, & elective coursework has been satisfied.
- Once admitted to the BAT, teacher candidates are expected to complete the three semester sequence in the order they are offered & without deviating from the established sequence in any way.

Requirements & Other Important Information for Students Seeking to Apply for the BAT

Applicants must meet all of the requirements listed below in order to be eligible for admission to the Bachelor of Arts in Teaching Foreign Language (BAT) program. If there is uncertainty about eligibility requirements, interested students should meet with the undergraduate language advisor well in advance of the admissions application deadline (February 1).

What You Need to Know If You Want to Apply to the BAT Program

- Students wishing to apply for the BAT program may **not hold a previously earned Bachelor's degree in any field.**
- Applicants must have a minimum **2.5 GPA in the language they plan to teach & a 2.5 overall cumulative GPA** at the time of application.
- Meeting the minimum criteria does not guarantee admission to the BAT program.
- All applicants to the BAT program should have an alternate academic plan in the event that they are not admitted to the BAT.
- **It is essential that students interested in applying to the BAT attend the fall information meeting;** information meetings are held in October; meeting announcements will appear on the FLTE website at the beginning of Fall Semester (www.flte.illinois.edu).

To submit a complete application packet for admission to the BAT, applicants are required to:

- fulfill 25 field hours in a Foreign Language classroom at the secondary level by working with a teacher & students in the language the applicant intends to teach
- complete 5 hours shadowing a principal or other building leader in a secondary school
- complete 5 hours shadowing a member of Student Services in a secondary school
- attend one meeting of the school board in the district where they completed their shadowing
- respond to a series of essays that address issues professional dispositions in education

- submit a copy of all undergraduate transcripts
- submit a copy of a current résumé

BAT Application Deadline: February 1st

Readiness for the Professional Education Sequence

Any student with an interest in the BAT program **SHOULD MEET with her/his undergraduate language advisor prior to Fall Semester of the first year as a transfer student** to construct an 8 semester or other academic plan that will ensure all content & general education requirements & electives will be satisfied prior to Fall Semester of the senior year when the last phase of the professional education sequence begins.

PLEASE NOTE: It is very difficult to complete the final phase of the professional education sequence unless all content & general education requirements & electives have been met. As a result, it is critical that applicants make certain they will complete all content, electives, & general education courses prior to the start of the professional education sequence in Fall Semester of the final year.

Study Abroad

All BAT teacher candidates are strongly encouraged to study abroad for a summer, semester, or full academic year. The experience enhances authentic cultural knowledge & will prepare teacher candidates for the Oral Proficiency Interview (OPI) assessment that must be taken & passed to advance to Student Teaching. To ensure that students are on campus for the last three semesters prior to graduation when the professional education sequence takes place, seeking direction about study abroad from the language department advisor is critical as it will permit the advisor to assist in an out of country experience when the academic plan is constructed prior to the beginning of the first semester on campus.

Test Scores Required for Admission

All applicants to the BAT program must take & pass the Illinois Licensure Testing System (ILTS) **Test of Academic Proficiency (TAP)**. Alternatively, applicants have the opportunity to submit the **ACT score report where the composite score was 22 or higher**. For an applicant to be exempt from the TAP, her/his composite ACT score must include the writing component. For information about the TAP &/or the ACT scores necessary for admissions, applicants should visit the Council on Teacher Education's website: http://cote.illinois.edu/certification/documents/act_procedures_for_admission.pdf

FOREIGN LANGUAGE REQUIREMENT (for Junior admission)

Although the specific foreign language requirements listed below are for students applying with 60 credit hours completed, all students should make every attempt to complete the foreign language graduation requirement prior to transfer.

For Admission:

- Foreign language is not required for admission by the College of Arts and Sciences but it is still highly recommended that students complete the graduation requirement prior to transferring to the University of Illinois

For graduation:

- satisfied by completion through the **fourth year** of one language other than English in high school **OR**
- through the **fourth level** (4 semesters) of one language other than English in college.

If this college's Language Requirement for graduation has been completed, additional transferable coursework should replace each of the Language Requirement courses listed below. Consultation with the transfer institution's advising staff is strongly recommended.

UIUC TRANSFER HANDBOOK - IMPORTANT

To help in determining what courses should be taken prior to transferring, UIUC has designed the Transfer Handbook. The Handbook contains a lot of useful information about the transfer process as well as prerequisite information. Most majors have prerequisite courses which must be completed prior to the desired term of entry. **It is very important that students refer to the UIUC transfer handbook found at:**
http://admissions.illinois.edu/apply/requirements_transfer_handbook.html

TRANSFER CREDIT

Transfer credit is awarded on a course-by-course basis.

UIUC participates in the Illinois Articulation Initiative (IAI) Transferable General Education Core Curriculum. See a Harper counselor for details.

CALCULATION OF ADMISSION GRADE POINT AVERAGE

All grades for repeated courses are used in calculating the admission GPA. Grades from all transferable coursework attempted will be averaged together.

APPLICATION DEADLINES

Spring:	September 1-October 15 (decision in mid-December)
Fall Priority:	February 1
Fall:	September 1-March 1 (decision in mid-April)

HOW TO USE THIS TRANSFER GUIDE

The following pages list general education course work for the College of Liberal Arts and Sciences at the University of Illinois at Urbana-Champaign, including areas of study, number of courses required in each, and Harper courses that will transfer to UIUC and meet these various requirements.

ADDITIONAL ASSISTANCE

For assistance with the transfer process, contact:

- Academic Advising and Counseling Center in I-117 (847-925-6393)
- Center for Multicultural Learning in A-347 (847-925-6522)
- Career Development Center in A-347 (847-925-6220)

College of Liberal Arts & Sciences Transfer Guide - University of Illinois at Urbana-Champaign

Below are General Education Requirements for the College of Liberal Arts & Sciences at UIUC. Individual majors may require additional course work for admission and/or additional general education course work for graduation. Final decisions regarding the acceptance of credit rest with University of Illinois at Urbana-Champaign.

Students beginning college summer 1998 or later and who transfer with Harper's AA, AS or the IAI General Education Core

(Groups 1-5) complete, must still fulfill the requirements in gray.

AREA	# OF HOURS REQUIRED	EQUIVALENT HARPER COURSES
Composition I	6	ENG 101 and 102
Advanced Composition	3	Must be taken at UIUC
Cultural Studies: Non-Western Cultures or U.S. Minority Cultures	3	GEG 103; HUM 103; HST 214, 231, 232, 241,243; LIT 208, 223; PHI 160; PSC 280
Cultural Studies: Western	3	HST 111, 112, 141, 142, 151, 152; HUM 101, 102, 120 LIT 206, 207, 221, 222, 231, 232;
Humanities & the Arts- <i>Courses in this category are placed into two subcategories: Historical & Philosophical Perspectives and Literature & the Arts. Students must take at least one course from each subcategory.</i>	6	Historical & Philosophical Perspectives: ANT 208; HST 111, 112, 121, 141, 142, 151, 152, 210, 214, 219, 231, 232, 241, 243; HUM 105; PHI 101 OR 102; 105, 115, 160, 180, 205, 220, 231, 232 Literature & the Arts: ART 105, 114, 130, 131, 132, 133; HUM 101, 102, 103, 110, 120; LIT 105, 110, 112, 115, 206, 207, 208, 210, 221, 222, 223, 224, 231, 232, 241; FRN 210; GER 210; SPA 210; MUS 103, 104, 120
Language- <i>UIUC strongly encourages transfer students to complete the Foreign Language graduation requirement prior to transfer. For this UIUC college the graduation requirement is satisfied by completion through the fourth year of one language other than English in high school or through the fourth level (4 semesters) of one language other than English in college. (see note below)</i>	varies	ARB 101, 102, 201, 202; FRN 101, 102, 201, 202; GER 101, 102, 201, 202; SPA 101, 102, 201, 202; JPN 101, 102, 201, 202
Natural Sciences & Technology - <i>Courses in this category are placed into two subcategories: Physical and Life Sciences. All the courses listed in these two subcategories satisfy the Natural Sciences & Technologies requirement.</i>	6	Physical Science: AST 100, 101, 112, 115, 201; CHM 121, 122; GEG 111, 112; GEO 101, 102; PHS 101; PHY 121, 201, 202, 203 Life Science: BIO 101, 103 OR 104, 105, 110, 120, 130, 135, 136, 140, 160, 161; DIT 101; PSY 220
Quantitative Reasoning I - <i>Students must complete both a Quantitative Reasoning I and II. To fulfill Quantitative Reasoning II, students may take a second Quantitative Reasoning I course, or a Quantitative Reasoning II course.</i>	1	Quantitative Reasoning I: CSC 122 or 214; MTH 101, 124, 131, 134, 200, 201; MGT 225 or MTH 165
Quantitative Reasoning II - <i>Students must complete both a Quantitative Reasoning I and II. To fulfill Quantitative Reasoning II, students may take a second Quantitative Reasoning I course, or a Quantitative Reasoning II course.</i>	1	Quantitative Reasoning II: AST 115, 201; CSC 121 or CSC 208; CSC 216; MTH 202, 220; PHY 121, 122, 201, 202, 203
Social & Behavioral Sciences	6	ANT 101, 202; ECO 200, 211, 212; GEG 100, 101, 102, 103,104, 210; PHI 190; PSC 101, 220, 250, 270, 280; PSY 101, 217, 218, 228, 230; SOC 101, 120, 205, 215, 230, 235

Note: If a Harper College student completes through the 4th level (4 semesters) of either Arabic or Japanese, the Colleges LAS will accept it as satisfying the college's Language Requirement for graduation, regardless of the actual articulations. If a student does not complete through the 4th level at Harper College and will continue to study the same non-primary language at UIUC, the student will be required to complete a placement exam to determine that student's proficiency and level of competency. Placement may be backtracked to a level less than that already completed at Harper College, per the results of the placement exam.

University of Illinois at Urbana-Champaign

Programs of Study

College of Agricultural, Consumer, & Environmental Sciences (ACES)

Agricultural Leadership and Science Education
Agricultural and Biological Engineering
Agricultural Science
Agricultural and Consumer Economics
Animal Sciences
Crop Science
Food Science and Human Nutrition
Horticulture
Human Development and Family Studies
Natural Resources and Environmental Sciences
Technical Systems Management

College of Applied Health Sciences (AHS)

Community Health
Health
Kinesiology
Recreation, Sport, and Tourism
Speech and Hearing Science

College of Business (BUS)

Accountancy
Business Administration
Business Process Management
Finance
Information Systems and Information Technology
Management
Marketing
Supply Chain Management

College of Education (EDU)

Early Childhood Education (birth through grade 3)
Elementary Education (K-9)
Special Education

College of Engineering (ENG)

Aerospace Engineering
Agricultural and Biological Engineering
Bioengineering
Civil Engineering
Computer Engineering
Computer Science
Electrical Engineering
Engineering Mechanics
Engineering Physics
General Engineering
Industrial Engineering
Materials Science and Engineering
Mechanical Engineering
Nuclear, Plasma & Radiological Engineering

College of Fine and Applied Arts (FAA)

Architectural Studies
Art and Design – Foundation Year
Art Crafts
Art Education (K-12)
Art History
Dance
Graphic Design
Industrial Design
Landscape Architecture (5-year program)
Music
Music Education (K-12)
New Media
Painting
Photography
Sculpture
Theatre
Urban and Regional Planning

College of Liberal Arts and Sciences (LAS)

Actuarial Science
African American Studies
Anthropology
Art History
Astronomy
Atmospheric Sciences
Biology
Biochemistry
Chemical and Biomolecular Engineering
Chemistry
