

**LWC CE Workforce Certification****LWC 8002 COMPTIA Network+ (2.5-1) 3 crs.**

Teaches planning, installation, and troubleshooting of networks in a business environment. Includes the OSI model, network card configurations, diagnosing network problems, and hands-on practice setting up a network environment. Must have A+ certification or equivalent prior to enrollment.

**LWC 8008 COMPTIA A+ Technician (1.5-2) 2.5 crs.**

Provides hands-on training in PC installation, building, upgrading, repairing, configuring and troubleshooting. Prepares students for A+ certification exams which can lead to a career in PC repair, help desk support or studies in advanced technologies.

**LWC 8010 COMPTIA Security + (2-1) 2.5 crs.**

Provides vendor-neutral instruction on systems security, network infrastructure, access control, risk mitigation, cryptography, and organizational security. Covers workstation and server security, network vulnerabilities, risk assessments, monitoring tools, network security tools, authentication, rights and privileges, encryption, and disaster recovery. Helps prepare for the CompTIA Security+ certification.

**LWC 8100 Job Search Readiness (1-0) 1 cr.**

Provides students with a comprehensive systematic approach to become job-search ready. Includes four areas of preparation: online job search, job-specific resume building and cover letter, interview skills, and understanding of general employability skills employers require for new hires. Awards the Job Search Ready Badge or the Job Search Ready Plus Badge at successful completion of this course.
