

BUSINESS ADMINISTRATION

Associate in Applied Science A.A.S.: Option 6: Business Administration Degree - Social Media Specialist

This 61 credit-hour program is designed to assist students in a wide variety of business occupations. The curriculum is structured to meet the needs of individuals interested in gaining or improving business knowledge and management skills. The program develops abilities that will help organize, coordinate and evaluate the functions of a marketing department or branch of an organization in either an industrial or administrative management capacity. This degree also provides the fundamental management skills needed by the successful owner-manager of a business.

This degree is shown in a standardized sequential semester option. However, it is available as fast track modality, apprenticeships and online options as well. Please contact an advisor to get the most current scheduling. This degree plan is one of six options that students may pursue to earn the Business Administration Associate in Applied Science (AAS) degree. While there are multiple specializations, this particular degree can be awarded only once.
