

BUSINESS ADMINISTRATION

Associate in Applied Science A.A.S.: Option 2: Business Administration Degree - Entrepreneurship

This 61 credit-hour degree program is designed to assist students who are exploring entrepreneurial ventures and/or starting new businesses. This degree focuses on leadership, creativity, innovation and funding sources. It also provides the fundamental management skills needed by the successful owner-manager of a business.

*This sequenced degree plan is one of six options that students may pursue to earn the Business Management Associate in Applied Science (AAS) degree. While there are multiple specializations, **this particular degree can be awarded only once.***

- 1 The mathematics elective must be MTH 103 or above. Students should meet with a Student Development Faculty Counselor or the program coordinator for an appropriate math course.
- 2 Students should strongly consider enrolling in ACC 102 as well.
- + This course meets the World Cultures and Diversity graduation requirement.
- 3 Students must take a course that meets the World Cultures and Diversity graduation requirement. If students have taken MGT 165 (Global Business), then PHI 150 (Business Ethics) is recommended as the Humanities course.
