

BUSINESS ADMINISTRATION

Associate in Applied Science A.A.S.: Option 3: Business Administration Degree - Financial Management

This 61 credit-hour degree program is designed for those currently employed in or seeking employment in finance departments, banks, investment companies or other finance-related enterprises. The curriculum emphasizes developing the competencies necessary for supervisory and public contact positions in the finance field.

This sequenced degree plan is one of six options that students may pursue to earn the Business Management Associate in Applied Science (AAS) degree. While there are multiple specializations, **this particular degree can be awarded only once.**

F = Fall only course S = Spring only course U = Summer only course
