

BUSINESS ADMINISTRATION

Associate in Applied Science A.A.S.: Option 5: Business Administration Degree - Insurance

This 61 credit-hour degree program is designed to assist students who are either exploring an insurance career or are in the insurance field looking to expand their managerial and business skills. Students will gain knowledge and practical skills in property, liability, commercial and personal insurance as they earn industry certification.

This sequenced degree plan is one of six options that students may pursue to earn the Business Management Associate in Applied Science (AAS) degree. While there are multiple specializations, **this particular degree can be awarded only once.**

- 1 The mathematics elective must be MTH 103 or above. Students should meet with a Student Development Faculty Counselor or the program coordinator for an appropriate math course.
- 2 Students should strongly consider enrolling in ACC 102 as well.
- 3 Students must take a course that meets the World Cultures and Diversity graduation requirement. If MGT 165 (Global Business) is taken, then PHI 150 (Business Ethics) is recommended as this Humanities course.
- + This course meets the World Cultures and Diversity graduation requirement.
