

# COMMUNITY HEALTH WORKER

## Community Health Worker Certificate

*This 16 credit-hour certificate program provides entry-level education and field experience for students wishing to obtain a position as a Community Health Worker. This program prepares students for community health positions such as community health advocates, lay health educators, community health representatives, patient navigators, and Promotores de Salud. Beginning with the fall semester of every school year and studying on a part-time basis, it is estimated to take three semesters to complete including a summer session.*
