

## FASHION DESIGN

### Associate in Applied Science A.A.S.: Option 1: Fashion Design Degree - Fashion Design

This 61 credit-hour program is designed to provide students with entry-level skills in apparel textile design, flat pattern design, draping, fashion illustrating and professional design room practices. Facilities will simulate the professional atmosphere of the fashion industry.

This sequenced degree plan is one of two options that students may pursue to earn the Fashion Design Associate in Applied Science (AAS) degree. While there are multiple specializations, **this particular degree can be awarded only once.**
