

## GRAPHIC ARTS TECHNOLOGY

### Associate in Applied Science A.A.S.: Option 4: Graphic Arts Technology Degree - Web Design

*This 64 credit-hour program is designed to prepare students for a wide range of employment opportunities in the graphic arts industry. This degree provides a well-rounded foundation of knowledge and skills to prepare students for new jobs as well as provide career advancement opportunities. The curriculum includes current application instruction with a focus on web technologies. Emphasis is on web and graphic design, including a complete understanding of website design and best practices, hosting and internet protocols. All students in the program complete a required sequence of classes and then select this web design specialty to be employable in this visual communication industry or transfer to a 4 year program.*

*This sequenced degree plan is one of four options that students may pursue to earn the Graphic Arts Technology Associate in Applied Science (AAS) degree. While there are multiple specializations, **this particular degree can be awarded only once.***
