
COMPUTER NETWORKING

IT Support Technician Certificate

This 18 credit-hour certificate program provides students with experience installing, configuring, maintaining and troubleshooting computer hardware, operating systems, and basic network infrastructure, and providing high-quality end-user support. These courses will help students prepare for the CompTIA IT Fundamentals, A+, Network+, HDI Desktop Support Technician, and ITIL Foundation certification exams and qualify for entry-level jobs as computer and network support technicians and service desk representatives.

REQUIRED:
