- 1 Students must place into 100-level mathematics or higher. If a student does not place into 100-level math, they may seek to retake the math placement exam or complete a college-level math course with co-requisite to meet math requirements. Students that place into 100-level mathematics or higher can take a 3 credit-hour AAS General Education elective. See full list of [AAS General Education Electives](#).
- 2 Students must meet the prerequisite of placement into ENG 101 prior to registering for this course.
