

Community Education, Workforce Development, and Community Services

Community Education at Harper College offers a variety of educational experiences and activities that respond to business, lifelong learning, and personal needs of the community. Instructional formats include day, evening, and weekend courses, online courses, workshops, refresher skill programs, and badges that are available on the main campus and extension sites.

These programs promote the philosophy of ongoing learning to assist people in their educational pursuits, help them to participate in society, influence social and cultural change, and reach goals in their professional and personal lives.

Community Education course schedules are published throughout the year, and are available online on the Community Education website at: <https://ce.harpercollege.edu>
