

Center for New Students and Orientation

The Center for New Students and Orientation provides advising support to degree-seeking, certificate-seeking and students-at-large during their transition as a new student to the College. The Center for New Students and Orientation also delivers information helpful for students' successful navigation of Harper College and its processes.

This center offers New Student Orientation year-round. New Student Orientation provides an introduction to Areas of Interest and an overview of services and resources available at Harper College. At New Student Orientation, students begin setting goals, developing their educational plan and are assisted with the registration process.

The Center for New Students also provides advising and onboarding services for academically-prepared high school students interested in earning Harper College credit through the Early College and Middle College programs. Additionally, the Center for New Students provides customized case-management for Fast Track students and those receiving funding from the WIOA grant.
