

University Center

Harper College has partnered with area universities to provide you with opportunities to earn a bachelor's or master's degree on Harper's campus through degree completion programs.

Students participating in the University Center will be able to:

- Earn your associate's, bachelor's and master's degrees on Harper's campus
- Save money on your four-year degree
- Enroll concurrently in select pathway programs at Harper and the partner university to complete a degree program
- Access admissions, registration and academic advising staff from the partner university on Harper's campus
