

# Big Data Analytics

**Sharpen your technical skills by earning a digital badge.**

With the growth of smart devices and the huge data they generate, plus the ability of computers to digest and learn from this data, Big Data Analytics has become a critical area of focus for most businesses. Students will learn about predictive models that create business value from Big Data solutions, the technology (databases, query languages, architectures), and statistical techniques of Big Data Analytics.

## Prerequisites:

Basic understanding of statistics, databases, and data management

## Big Data Analytics – Summer 2018 Schedule

Course Number	Days	Date	Time	Room	Tuition	Fees
LCT8400-900 80042	Saturday	7/7/18 – 8/11/18	9am – 12:15pm	HPC221	\$545	\$7

The Big Data Analytics badge is a component of two Workforce Innovation and Opportunity Act (WIOA) approved programs.
