

Interactive Website Design

The Interactive Website Design digital badge program presents a wealth of technologies to aspiring web developers interested in creating and maintaining interactive websites. The program covers popular web design techniques using core web programming languages such as HTML, CSS, and JavaScript along with an introduction to Twitter Bootstrap and Zurb Foundation frameworks. The program concludes with a self-paced portfolio workshop to showcase and market your skills.

Prerequisites:

Basic Internet and Microsoft Office skills

Required Courses:

- LCT0190 Introduction to HTML
- LCT0290 Intermediate HTML
- LCT0201 Web Design and Usability Techniques
- LCT0210 Introduction to Cascading Style Sheets
- LCT0215 Intermediate Cascading Style Sheets
- LCT0193 Introduction to JavaScript Programming
- LCT0220 Introduction to jQuery
- LCT0320 Intermediate jQuery
- LCT0420 Responsive Website Frameworks
- LCT0500 Interactive Website Design Portfolio Workshop*

*** Each student will be required to pass the Interactive Website Design Portfolio Workshop after completing all of the required coursework.**

The Interactive Website Design digital badge program can be completed in less than two semesters.

The Interactive Website Design badge is a component of two Workforce Innovation and Opportunity Act (WIOA) approved programs.
