

## Web Maintenance and Design

Learn how to create and maintain a basic website using current tools and programming languages. The Web Maintenance and Design digital badge program is geared for people who want to create and maintain a website but who are not interested in a career in web development. You do not need prior knowledge of computer programming to design and maintain web pages. Please note: not all electives are offered every semester.

**Prerequisites:** Basic Internet and Microsoft Office skills

**Required Courses:**

- LCT0195 Introduction to HTML & CSS
- LCT0205 Intermediate HTML & CSS
- LCT0201 Web Design and Usability Techniques
- LCT0204 Web Maintenance and Design Portfolio Workshop\*

**\*Each student will be required to pass the Web Maintenance and Design Portfolio Workshop after completing all of the required and elective coursework.**

**Choose One Elective (when offered)**

- LCT0193 Introduction to JavaScript Programming
- LCT0590 Introduction to WordPress
- LCT0292 Introduction to PHP
- LCT0036 Adobe Photoshop CC I

The Web Maintenance and Design digital badge program can be completed in one semester.

The Web Maintenance and Design badge is a Workforce Innovation and Opportunity Act (WIOA) approved program.

**You are invited to attend Harper College's Spring 2018 CECT Information Sessions!**

Join us on Wednesday, December 13<sup>th</sup> at 6pm or Wednesday, January, 10<sup>th</sup> at 6pm in suite 2W at the Harper Professional Center in Schaumburg.
