**About
Harper College**

William Rainey Harper, the renowned scholar, teacher and administrator from whom we take our name, was an innovator...a man of vision to be sure. As first president of the University of Chicago more than a century ago, Dr. Harper was also first to champion the idea of the two-year college, having founded Joliet Junior College in 1901. What he conceived simply as a means of increasing access

to college-level learning for all, would—in time—transform the face of higher education in America. William Rainey Harper was the true father of the community college movement.

We are proud that Harper College is among the leaders in community colleges across the country.

**Tammy Duckworth,
U.S. Senator**

**COMMENCEMENT
SPEAKER**

U.S. Senator Tammy Duckworth is an Iraq War Veteran, Purple Heart recipient and former Assistant Secretary of the U.S. Department of Veterans Affairs who was among the first handful of Army women to fly combat missions during Operation Iraqi Freedom. Duckworth served in the Reserve Forces for 23

years before retiring at the rank of Lieutenant Colonel in 2014. She was elected to the U.S. Senate in 2016 after representing Illinois's Eighth Congressional District in the U.S. House of Representatives for two terms.

In the U.S. House, Duckworth served on the Armed Services Committee and was an advocate for working families and job creation.

In the U.S. Senate, Duckworth advocates for practical, common-sense solutions needed to move our state and country forward like rebuilding our crumbling infrastructure, protecting Illinoisans from lead poisoning, growing manufacturing jobs while supporting minority-owned small businesses, investing in communities that have been ignored for too long and making college more affordable for all Americans.

Pinning Ceremony Tradition

The tradition of the pinning ceremony in the health professions is grounded in rich history. The first recognition of health professionals reportedly took place in the 12th Century. In the time of this early recognition, badges were awarded to members of the Knights of the Order of the Hospital of St. John the Baptist, a religious order who tended to the ill and wounded Crusaders in the 12th Century.

The tradition of the pin and the ceremonial pinning of today, originated with the profession of nursing in the 1860s at the Nightingale School of Nursing at St. Thomas Hospital in London. After receiving The Red Cross of St. George from Queen Victoria in 1856, for “acts of the greatest heroism or for the most conspicuous courage in circumstances of extreme danger,” Florence Nightingale chose to honor her most outstanding graduate nurses by presenting each of them with a medal for excellence.

From Nightingale’s first pinning, other schools followed in the United Kingdom and the United States with pinning becoming a common practice by 1916. The pinning ceremony has taken on important meaning for both nursing as well as other allied health professions. Both the pin and the pinning ceremony serve to provide important recognition of symbols of the profession and the transition to full privileges as a graduate entering into a professional role.

Today, the Harper College Division of Health Careers faculty continues the tradition by recognizing the graduates of the health programs at Harper College. Each graduate of the health programs will receive a pin for his or her professional program as part of the Harper College Commencement Ceremony. The pinning ceremony is incorporated into the Commencement program with each pin being presented to the student by a faculty member representing the professional program from which the student is graduating.

Honor Your Graduate

LEAVE A LASTING IMPRESSION
AND HELP "PAVE" THE WAY
FOR FUTURE HARPER STUDENTS

PAVERS are a wonderful opportunity to leave a lasting mark on Harper's campus, while at the same time supporting future generations of Harper students.

HARPER'S CAMPUS

By purchasing a 4x8-inch or 8x8-inch wall paver, you can create a lasting message that will be displayed in your choice of areas:

Pavers for Promise are displayed near the Harper College Ender Pavilion, the site of Harper's graduation, as well as host to cultural and community events.

Athletic Affinity Pavers are displayed at the entrance to the new Foglia Health and Recreation Center, the home for Harper Hawks Athletics.

HARPER COLLEGE PROMISE SCHOLARSHIP

When you buy a Paver for Promise, a majority of your purchase will help fund the Harper College Promise Scholarship. Starting with the high school class of 2019, The Harper College Promise Scholarship will allow all high school students enrolled in districts 211, 214 or 220 the opportunity to earn up to two years tuition at Harper College as well as work with businesses in our district who value dedication, rigor, quality, persistence and community service.

Your purchase of an Athletic Affinity Paver will help support Harper student athletes.

HONOR A MEMORY, PROFESSOR, COACH, ATHLETE, GRADUATE OR LOVED ONE

There are a variety of ways that you can add your personal touch on a wall paver:

- Celebrate a new graduate, a birthday or milestone
- Honor a Harper professor, staff member, classmate, family member or influential person in your life
- Commemorate your involvement in the Harper athletics program, a student club or organization
- Create a meaningful reminder of your affection for Harper College

WALL PAVER SIZES AND COSTS

Pavers come in two sizes:

- 4x8-Inch Wall Paver: The 4x8-inch wall paver allows you to leave a three-line message with 18 characters per line. Cost: \$150
- 8x8-Inch Wall Paver: The 8x8-inch wall paver allows you to leave a six-line message with 18 characters per line. Cost: \$300
