

Get certified on us

Earn your Medical Assistant Certification while working at Northwest Community Healthcare (NCH)! Begin your educational journey on Day One!

The NCH Medical Group has openings in all locations conveniently located throughout the northwest suburbs.

Considering Medical Assistant certification?

- NCH covers the courses required for a Medical Assistant Certificate program through our education reimbursement program.
- For Medical Assistants only, we are waiving the usual 6-month employment requirement! With just 90-days on the job at NCH, you are eligible to be reimbursed for these courses.
- New employees pursuing a Medical Assistant Certificate can begin taking courses immediately.
- We reimburse full-time employees up to \$5,250 and part-time employees up to \$2,000 each calendar year.
- After successfully passing the certification exam, you will receive \$100 to help cover the cost of the exam.
- We offer a variety of scholarships (both clinical and non-clinical) through our Foundation to cover educational or professional development.

At NCH, medical assistants are valued members of the healthcare team. Come grow with us, and reach your professional and educational goals.

Contact the Job Placement Resource Center (JPRC) at Harper College for more information and to forward your resume.
