PRESENTATION

A Year in Review; and
Launching the Fall
Employee Welcome Back
Virtually

Dr. Proctor requested Laura Brown, Vice President and Chief Advancement Officer, Mike Barzacchini, Director Marketing Services, and Brian Shelton, Assistant Professor, Mass Communication to provide an overview for welcoming back employees virtually in fall.

Ms. Brown explained the all-campus meeting traditionally has been held in the Performing Arts Center for 1.5 hours; this semester Dr. Proctor is delivering three 30-minute addresses. Each address is based on a theme, the first one, held on August 18, was based on the *Semester Kickoff and the Year Ahead* and shared the new leadership structure, the launch of the strategic plan, and the impacts of the recent unrest. The second address was held earlier today, on August 19, with the theme of *Enrollment and College Operations*, Dr. Proctor reviewed the College budget, enrollment, Oracle ERP upgrade, legislative and federal policies, and the impact of COVID on the College's safety measures. The third address will be held on August 20 with the theme of *Building Our Culture*, where Dr. Proctor plans to discuss the plans to enhance the sense of belonging for students, faculty, and staff, the outcomes and recommendations from the diversity, equity, and inclusion review, and the basic needs project. A [video](#) montage was shown that communicated student resiliency during this time of social unrest.

Mr. Barzacchini continued by explaining how Marketing and Harper's radio station WHCM collaborated to produce the [Return to Campus](#) videos, one in English and one in Spanish. With the assistance of a student at the College, a Spanish translation was completed, and Mr. Shelton's WHCM students provided the voiceovers.

Mr. Shelton shared the English voiceover was completed by Hailey Schimpf who is studying mechanical engineering and the Spanish voiceover was completed Erik Bonilla-Sanchez who is the program director at WHCM and studying Information Technology. The English language [video](#) was shown that outlines what to expect when returning to campus in fall 2020.

In response to Chair Stack, Dr. Proctor shared there were over 500 who attended the address on August 18 and approximately 480 who attended the address on August 19.

Ms. Brown thanked the facilities team for their help in getting campus ready for students and staff.

Chair Stack expressed her thanks to Ms. Brown, Mr. Barzacchini, and Mr. Shelton.

STUDENT TRUSTEE REPORT

Student Trustee Hildebrand shared his appreciation for the administration and staff's dedication to the health and safety of everyone and the faculty's commitment to flexibility and student success. He then introduced Mr. Ahmed a fellow speech team member and Promise scholar to share his perspective on the Promise Program.

Mr. Ahmed began by sharing he is a sophomore planning to major in finance and one of the 421 Promise students who began at Harper in fall. He expressed his support for the longevity of the Promise Program and for changing the eligibility for the scholarship to be more rigorous. One thought mentioned was to raise the minimum grade point average requirements so that potential students would need to work harder to receive the scholarship. He closed by sharing the scholarship has changed his life for the better and should be about giving students like himself the opportunity for a better education.

Chair Stack thanked Student Trustee Hildebrand and Mr. Ahmed for their heartfelt report.

FACULTY SENATE PRESIDENT'S REPORT

Faculty Senate President Dave Richmond welcomed two College leaders on behalf of the faculty, Mr. Galick, Executive Vice President of Finance and Administrative Services and Dr. Janosik, Provost. Further, he expressed faculty appreciation and support for the decisions that leadership have made during the past six months. He commended the leadership for their objectivity in addressing the pandemic and thanked them for their continued support.

PRESIDENT'S REPORT

Dr. Proctor recognized Dr. Mrozinski for his 31 years of service to the College and students. She continued by expressing her appreciation to the many groups that have addressed the challenges associated with the pandemic. These groups include the Modalities Committee led by the provost, the COVID-19 Response Team that initially met daily and now twice a week, Facilities for ensuring the campus cleanliness, the Police for safeguarding the campus, and Information Technology for supporting students, faculty and staff. All the groups have stepped up and worked together keeping safety as the number one focus as the College advances its mission.

Dr. Proctor shared Governor Pritzker signed the Rebuild Illinois Capital Plan that will assist in the funding the Canning Center. Space for a cultural center has been identified and a Social Justice Task Force will be convened to address diversity, equity, and inclusion. Additionally, the College has joined the Aspen Institute and Partnership for College Completion's Illinois Equity in Attainment cohort that will assist us in planning diversity, equity and inclusion initiatives.

Lastly, she shared the College is committed to bringing forward different scenarios to sustain the life of the Promise Program.

STUDENT SUCCESS
REPORT

The Impact of Emergency
Funds on our Students

Dr. Proctor invited Heather Zoldak, Associate Executive Director of Foundation/Major Gifts, Bob Parzy, Interim Associate Provost of Enrollment Services, and Desiree Peerman, student, to share the impact of the Emergency Relief Fund.

Ms. Zoldak expressed her thanks to the Board of Trustees for their support of the Emergency Relief Fund for students. She explained shortly after students began remote learning in March, they were surveyed asking what tools and support they would need to be successful. Results indicated that many were facing financial hardship. The Foundation began fundraising in late March and by the end of June \$303,000.00 was raised. Initially the Foundation donated \$50,000.00, the College \$150,000.00 (\$50,000.00 from the Student Success Initiatives Fund and \$100,000.00 as a match gift), and donors contributed \$103,000.00. Donors included alumni, friends, retirees, employees, student clubs, and students.

Mr. Parzy continued by describing how the cross-functional team worked together to distribute the funds to students. The team included individuals from Enrollment Services, Financial Aid, Registration and Records, Communications, Business Office, and the Foundation. He thanked the team for their passion and dedication to the process. The goal of the team was to fund as many students as quickly as possible in a fair and equitable way. Students received emails regarding the Emergency Relief Fund and instructions on how to apply for the funds. There was an overwhelming response of enrolled student who submitted an application describing their needs. Funds were distributed in spring, summer and at the end of summer to those students who were already enrolled in fall 2020. Students were notified by email of the awarded amount. Many thank you notes from students were received expressing their appreciation of the program. Mr. Parzy asked Ms. Peerman, a student who had written a thank you note, to share her story.

Ms. Peerman shared she is a full-time student, single working mom, in her last year at Harper, and looking forward to a demanding career in information technology. After suffering a brain and spinal injury over 10 years ago she did not return to her work in data analysis and consulting. Prior to the pandemic she had been driving ride share for two years. She acknowledged and thanked Academic Advising and the Women's Program for guiding her to where she is now and providing the necessary support to keep her focused. After the pandemic began in March, she faced the possibility that she may need to leave school and her dreams behind to be able to support herself. Academic Advising connected her to counseling services where she learned to look forward. She then received the gift from the Harper Emergency Relief Fund that helped her bridge the gap until she was able to find employment as a shopper at Whole Foods. She thanked everyone who made this fund possible.

Her plan to complete a software development certificate and associate's degree in applied science from Harper and to transfer to Northern Illinois University to pursue her bachelor's degree in computer science through Harper's University Center.

Ms. Zoldak continued by summarizing the outcomes of the Emergency Relief Fund. Overall, \$303,000.00 was awarded to 690 students, with an average disbursement of \$439.00. The funds helped students with groceries, rent, mortgages, and gas. Of the applications received, there was a greater number of first-generation students and students from underrepresented populations.

A [video](#) was shared of faculty and staff reading some of the student thank you messages.

In response to Trustee Kelley, Dr. Proctor indicated there are funds being allocated to student success initiatives and these could potentially be allocated to a relief fund for students.

Chair Stack thanked Ms. Peerman for sharing her story, and Ms. Zoldak and Mr. Parzy for the comprehensive report.

Board Committee and Liaison Report

Alumni Liaison Report: Member Mundt reported the Alumni Program will host its first ever virtual Alumni & Friends Happy Hour webinar

featuring Harper Alumna Kristina Gaardbo, owner of Chicago Culinary Kitchen in Palatine. Alumni and friends are invited to sign up and log on the webinar to hear tips and recommendations for making your best barbeque and the craft beer pairings. The event will take place on Thursday, August 27 from 5:30 – 6:30 p.m. Sign up by visiting harpercollege.edu/alumni.

The 4th annual Alumni & Friends Virtual 5K will kick off on September 8 through the end of September. Alumni, Harper employees, and friends of Harper are invited to run, walk or bike a 5k on their own time and at their own pace during the month and then share their results and photos on social media and tagging Harper College. Sign up will be available in early September on the alumni website. Registration is \$20 and participants will receive a 5K branded gift from the alumni program.

Foundation Liaison Report: Member Hill shared the Foundation Strategic Planning Committee is finalizing the new four-year strategic plan for the Foundation. The plan includes a new mission and vision statement and three overarching themes and goals. The plan will be final at the September Foundation Board meeting.

New Mission Statement: The Harper College Educational Foundation connects the College to the greater community, alumni, businesses, and leaders by aligning donor passion and generosity through philanthropic support for students and program enrichment.

New Vision Statement: The Harper College Educational Foundation ensures that all Harper College students have opportunities to transform their lives and enrich the community through education without financial barriers.

Overarching Themes for the Goals

Fundraising to Meet Students Where Their Needs Are

Diversify funding sources by increasing contributed income from foundations, corporations, and individuals to ensure the sustainability and growth of funds available to scholarships, College initiatives and programs to address student needs in achieving their academic goals.

Corporate and Business Partnership

Leverage and strengthen collaboration, partnerships, and responsiveness to foster real world opportunities for students, through scholarships, fundraising event sponsorships, and employment opportunities including internships, short-term practicums, clinicals, and employment.

Donors

Increase the amount of charitable giving and the number of individual donors in alignment with donor intent and interests.

In June, the Foundation had to cancel the Annual Golf Open. This has been rescheduled to Monday, October 5. This will not be a traditional event. The revised event will be held at TopGolf. All safety precautions and social distancing will be in place. This is being planned to be a fun event that will include two hours of golf, open bar and appetizers along with raffle prizes and auction items throughout the day. Golfing begins at 1:30 p.m. with the event concluding at 4:30 p.m.

ICCTA Liaison Report: Member Kelley reported at the ACCT Board Annual Planning Retreat strategic plan goals were developed, one of which was to look at the challenges facing community colleges during the COVID-19 pandemic. Additionally, trustees expressed they are experiencing a lack of casual communication due to not having the opportunities to meet informally in-person.

The ACCT Congress will be held virtually from October 5-8 and he encouraged all the trustees to attend. He will be giving a presentation along with Dr. Proctor and Chair Stack on how Harper has used funds strategically to assist students.

The ICCTA has recently adopted a diversity, equity, and inclusion plan to ensure there is a focus placed on this work. Lastly, Harper College is the chair for the region this year and thus may be called on to convene a meeting.

Grants and Gifts Status Report

Current status of operational public and private grants to the College, and status of cash donations and in-kind gifts to the Educational Foundation, as outlined in Exhibit X-B.3.
