Where Can I Find Information About...

- > Daily Reports
- > Enrollment
- > About Our Students
- > Student Success at Harper College
- > Student Success Post Harper College
- > New Students
- > Financial Aid
- > Academic Departments / Division Resources
- > Community
- > Harper College
- > Employees

Our purpose is to provide a comprehensive list of available information across an array of data channels including published reports, Power BI reports, and reports that have been created using the College's Enterprise Reporting Solution (Cognos). Our goal is to provide consistent, accurate data for use in decision-making and the advancement of institutional effectiveness.
