WILLIAM RAINNEY HARPER COLLEGE
BOARD OF TRUSTEES OF JUNIOR COLLEGE DISTRICT 512
COUNTIES OF COOK, KANE, LAKE, AND McHENRY, STATE OF ILLINOIS

Minutes of the Adjourned Board Meeting of Tuesday, June 29, 1971

CALL TO ORDER: The adjourned meeting of the Board of Trustees of Junior College District No. 512 was called to order at 8:10 p.m., Tuesday, June 29, 1971, by Chairman Hansen, pursuant to adjournment from the regular meeting of Thursday, June 10, 1971, in the Board Room of the Administrative Building, Algonquin and Roselle Roads, Palatine.

ROLL CALL:

Present: Members Milton Hansen, Richard Johnson, Lawrence Moats, Joseph Morton and Eugene Nugent

Absent: Members Ross Miller and Jessalyn Nicklas

MINUTES:

Member Johnson moved and Member Nugent seconded the motion to approve the minutes of June 10, 1971, as distributed. Motion unanimous.

DISBURSEMENTS:

Financial Statement

Mr. Mann stated he anticipated that the college would have a surplus at the end of the fiscal year. In the discussion which followed, Dr. Lahti pointed out this was due to cut-backs by the administration.

Member Miller entered the meeting at 8:15 p.m.

COMMUNICATIONS:

Secretary Morton read a communication received from the Board of Education of Community Consolidated School District #4 of Barrington enclosing a copy of a resolution passed at their May 24 meeting recognizing the recent accreditation of Harper College. This letter also requested a copy of the recent study on population growth in the district. Dr. Lahti commented that every high school and elementary school district within Harper's district would, as a matter of routine, receive a complimentary copy of this study.
COMMUNICATIONS:  
(Cont.)

Dr. Schauer discussed the resignation of Mr. David Feinberg. He stated that due to illness in his family, Mr. Feinberg was accepting a position closer to his family. Dr. Schauer commended Mr. Feinberg's work and recommended the acceptance of his resignation.

Member Johnson moved and Member Morton seconded the motion to accept with regret the resignation of Mr. David Feinberg effective August 6, 1971. The motion was unanimous.

UNFINISHED BUSINESS:

A discussion followed on Dr. James Wattenbarger's report on the administrative processes and organization of Harper College. Dr. Lahti stated that from an administrative viewpoint, they did not take exception to Dr. Wattenbarger's recommendations; at the same time he stated they recognize that the report has its limitations in terms of comprehensiveness and depth of scope. The Board discussed Dr. Wattenbarger's point on the need to enhance the position of division chairman. It was agreed this is a specific problem. Dr. Lahti stated it should be understood that the position of division chairman is the beginning step in a career in administration. Member Johnson referred to the counseling area and Dr. Wattenbarger's point that, although he felt Harper was further ahead than most community colleges, much improvement was needed. Member Johnson stated that in improving the counseling area he felt the focus should be on those things that are basic. Dr. Fischer agreed that priorities within the counseling center have to be within the college—for the benefit of the students. Member Morton asked about the recommendation on an administrative assistant. Dr. Lahti interpreted this as a continuation of the policy on an intern in his office. He stated he had three candidates interested and pointed out they have to have something to contribute and the college has to be able to give something to them. A discussion followed on the type of assignments given to an intern. Member Johnson defined an intern's position as a staff position on a project basis with the president. Dr. Lahti stated the concept had been strongly endorsed by the Board, but he stated the position of intern is not a permanent one and therefore would not show on the organizational chart. He pointed out it is a way to select talent that will enhance Harper without being in any way committed.
Dr. Schauer discussed the employment of a teacher of Reading and English. Mr. Bartos discussed the background and qualifications of Mr. Larry P. Kent.

**Member Morton** moved and Member Johnson seconded the motion to approve the employment of Mr. Larry P. Kent, as an Assistant Professor of Reading and English, in the Division of Communications, at a salary of $12,500.00 for the 1971-72 academic year, effective Sept. 7, 1971.

Upon roll call, the vote was as follows:

Ayes: Members Hansen, Johnson, Miller, Moats, Morton and Nugent
Nays: None

Dr. Schauer stated Miss Mary Vancura was being recommended for employment in the Associate Degree Nursing program to fill the vacancy created by the resignation of Sharon McDonnell. Dr. Cormack discussed the background and experience of Miss Vancura.

**Member Moats** moved and Member Miller seconded the motion to approve the employment of Miss Mary Vancura as an Instructor of Nursing, at a salary of $12,200.00 for the 1971-72 academic year, effective Sept. 7, 1971.

Upon roll call, the vote was as follows:

Ayes: Members Hansen, Johnson, Miller, Moats, Morton and Nugent.
Nays: None

Dr. Cormack discussed the background and qualifications of Mr. Kenneth O. Johnson, a candidate for a position in Fire Science.

**Member Moats** moved and Member Miller seconded the motion to approve the employment of Mr. Kenneth O. Johnson as an Assistant Professor of Fire Science Technology, at a salary of $14,250.00, for a nine month period, effective September 7, 1971.

Upon roll call, the vote was as follows:

Ayes: Members Hansen, Johnson, Miller, Moats, Morton and Nugent
Nays: None
NEW BUSINESS:
Opening of New Position--Student Activities Adviser

Dr. Lahti explained that the administration was recommending the employment of a Student Activities Adviser and stated that although originally they had wanted a full-time professional, they now agreed that perhaps a para-professional or some person from the community would be able to fulfill the task. Mr. Stansbury discussed the need for someone in this capacity, due to the increased student enrollment and subsequent increased student activities.

Member Nugent moved approval of professional position of Student Activities Adviser be opened on a 10 month basis at a salary of $8,000.00, effective Sept. 1, 1971.

Member Moats suggested that perhaps a person with an Associate Degree from a two-year college could fill this position. In the discussion which followed, several Board members objected strongly to the recommendation for a professional position with a maximum salary of $8,000. They stated they felt the administration must make a decision as to whether they wanted a professional or a para-professional in this position; and, if they wanted a professional, the Board members agreed the salary should be commensurate with the salary schedule of the professional staff. The Board and the administration agreed to postpone action on this position until the meeting of July 8, 1971.

Member Nugent withdrew his motion.

Opening of New Position--Systems Programmer

Dr. Lahti reported that as a result of the computer study by Price Waterhouse, the administration was recommending opening the position of Systems Programmer. Mr. Sedrel stated the recommended salary was not to exceed $14,000 a year and discussed the responsibilities and major duties of a Systems Programmer. Dr. Lahti pointed out this was within the Price Waterhouse recommendation. Member Moats asked if they had taken into account the budget problems the college would be experiencing and questioned the benefit to the students. Member Johnson stated it is a way of doing the computer job with what the college has, which is the focus of the report. Dr. Lahti added it would maintain the program at a slightly higher level.

Member Johnson moved and Member Nugent seconded the motion to establish the position of Systems Programmer.
as recommended by the administration at a salary not to exceed $14,000.00.

Upon roll call, the vote was as follows:

Ayes: Members Hansen, Johnson, Miller, Morton and Nugent
Nays: Member Moats

Budget Transfers

Mr. Mann explained that there were a number of exhibits covering budget transfers and stated that many have been in process for three or four months. He stated that Exhibit B-4 was different than the other exhibits; that actually this was not technically a budget transfer. It is an allocation of indirect costs to the various cost centers. Mr. Mann stated that since the college was in the process of budgeting for these indirect costs in cost centers for next year, it seemed appropriate that they should allocate this year's indirect expenses so that this year and subsequent years will be on a compatible basis.

Member Johnson moved and Member Nugent seconded the motion to approve the following budget transfers, as outlined in the exhibits attached to the minutes in the Official Board of Trustees Book of Minutes:

Exhibit B-1, budget transfers in the amount of $199,456.00
Exhibit B-2, budget transfers in the amount of 2,000.00
Exhibit B-3, budget transfers in the amount of 15,000.00
Exhibit B-4, budget transfers in the amount of 553,100.00

Upon roll call, the vote was as follows:

Ayes: Members Hansen, Johnson, Miller, Moats, Morton and Nugent
Nays: None

Member Moats moved and Member Johnson seconded the motion to approve the administration's recommendation and award the bid, as outlined in Exhibit C-5, for fountain syrups to the Western Candy Company at the following prices:

1. Coca-Cola    $10.50/5 gal.

Dr. Lahti reported there have been two meetings of the Budget Committee and another meeting was planned for July 8.

Dr. Schauer introduced Jack Tippens, informing the Board that Mr. Tippens would make the presentation for the Division of Humanities, in the absence of the Division Chairman--Dr. Thobe. Mr. Tippens briefly went over the exhibit for the Division of Humanities, touching on the general objectives of the division, the curriculum, instructional development, program development, community-oriented activities and the staff profile. A discussion ensued on the high ratio of part-time teachers in the division, necessitated by the increase in enrollments. Mr. Tippens stressed the need for cultural facilities within the college district. He discussed a study made by the college which indicated that 80% of the art students are planning to transfer, in the art area, to four-year institutions. Mr. Tippens discussed a program partially implemented this year for strengthening the student advising process. He reported to the Board on hopes for inaugurating a portfolio plan for sophomores in the coming year. In a discussion on music concerts, Dr. Makas discussed the use of a patron type system, pointing out that this takes authorization and time to work out. Dr. Lahti commented on the difficulties in trying to co-ordinate all the municipalities within the Harper District on cultural activities. Member Johnson discussed setting up an association to support these kinds of activities, agreeing that the Board would probably have to consider a patron's group.

Dr. Lahti reported the Fashion Design program graduated its first class this year. Mrs. Betty Gialdini reported the Fashion Design program had a total of fifteen students graduate with a degree. She stated six are transferring to four-year institutions, and quite a few are planning on going into retailing.

Member Hansen thanked Mr. Tippens and complimented him on the presentation he had made in Dr. Thobe's behalf.
NEW BUSINESS:

Presentation--
Division of
Life and Health
Sciences

Dr. Schauer introduced Mr. Ray DePalma, Chairman of
the Division of Life and Health Sciences. Mr. DePalma
discussed the faculty profile, the distribution of
faculty by degrees, and the academic ranks of divisional
members. He discussed the student enrollment data in
Exhibit E-1, pointing out that the division had grown
considerably in most areas. Mr. DePalma discussed the
various programs offered in the division. A slide
presentation was made on the Dental Hygiene program.
Mr. DePalma pointed out that in all the career programs
this is probably the most demanding as it requires the
students graduate with 83 hours. He discussed the
Associate Degree Nursing program, citing the assistance
given by the hospitals in the area, and pointing out
that this program has a waiting list. Under the
Practical Nursing program, Mr. DePalma discussed the
three semester program and the function of the LPN.

Mr. DePalma introduced Mr. Roy Kearns, Director of
Intramurals and Athletics, and also Harper's tennis
coach. Mr. Kearns briefly discussed the growth of the
P.E. program since 1967, the present program, objectives and plans for the future, some of the facilities
being used outside of the college, and the program
listed in Exhibit E-1. Mr. Kearns extended an invitation to the Board members to come out this summer and
use the tennis facilities.

Chairman Hansen thanked Mr. DePalma and Mr. Kearns
for the presentation.
